

I strongly disagree with this Bill.

I have been waiting for my PR application for 1.8 years.

When I lodged my PR 885 application, you said 6 months processing time. I can treat that time as a promise.

But after 1.8 years unstable life in Australia, now my PR application is still in processing, long long waiting list.

IMMI must take responsibility for their promise.

NOW I MUST SAY "NO" TO THIS BILL!
