

I wish to make a submission to the MEN'S HEALTH COMMITTEE to increase funding in men's health particularly in the following areas:

- PROSTATE CANCER
- TESTICULAR CANCER
- DEPRESSION & SUICIDE
- MEN'S SHELTERS FROM DOMESTIC VIOLENCE
- EDUCATION & AWARENESS CAMPAIGNS
- TREATMENT SERVICES & GENERAL SUPPORT PROGRAMS IN METROPOLITAN, RURAL, REGIONAL & REMOTE AREAS

These are all issues that need urgent consideration.
