Inquiry into Coronavirus Economic Response Package Amendment (Ending Jobkeeper Profiteering) Bill 2021

Topic: Value of JobKeeper payments disaggregated under various categories

Senator: Nick McKim

Question:

1. What is the value of JobKeeper payments made to entities that experienced an increase in turnover for the period in which they received JobKeeper payments? Could you provide this data disaggregated by:

- Each phase of JobKeeper (i.e. 1; 2.1; and 2.2).
- Relevant decline in turnover test (i.e. decline of 15%, 30%, or 50%).
- No. employees nominated for JobKeeper.
- Size of business (by turnover).
- Industry sector.
- Company structure (i.e. publicly listed, private, sole trader, etc.).
- State or territory.
- Federal electorate.

2. What is the value of phase 1 (Mar20 – Sep20) JobKeeper payments made to entities whose actual decline in turnover in the period in which they received JobKeeper payments did not end up being as low as the decline in turnover test relevant to them (e.g. decline of 15%, 30% or 50%)? Could you provide this data disaggregated by:

- Relevant decline in turnover test.
- No. employees nominated for JobKeeper.
- Size of business (by turnover).
- Industry sector.
- Company structure (i.e. publicly listed, private, sole trader, etc.).
- State or territory.
- Federal electorate.

3. What is the value of phase 1 (Mar20 – Sep20) JobKeeper payments made to entities based on an actual decline in turnover; and that made to entities based on a projected decline in turnover? Could you provide this data disaggregated by:

- Relevant decline in turnover test.
- No. employees nominated for JobKeeper.
- Size of business (by turnover).
- Industry sector.
- Company structure (i.e. publicly listed, private, sole trader, etc.).
- State or territory.
- Federal electorate.

4. What is the value of total JobKeeper payments made by Federal Electorate. Could you provide this data for each phase of JobKeeper (i.e. 1; 2.1; and 2.2).
