

Good Morning Tegan

Thank you for the follow up call on these questions.

With respect to these questions on notice:

1. Given the nature and function of our roles and often doing media and attending meetings, Senate Committees and other hearings, and other functions at Parliament House, HIA Managing Director, Jocelyn Martin and myself hold a sponsored pass to Parliament house.
2. Senator Andrew Bragg, Shadow Minister for Housing and Homelessness is the sponsor for these passes.

Regards
