

**Submission 1 - Dale Moroney**

17 Feb 2016

I hereby request an Inquiry to the Treaty tabled on 9 February 2016.

I believe there are a number of concerns for Australians that have not been addressed and the fact the negotiations have been so secret disturbs me to no end.

I believe that there should be a proper debate and consultation with the Australian people before we enter into this draconian agreement.

Dale Moroney
