

Business Owner

1. Our business is in Burra S.A.
2. We own the Burra Motor Inn
3. We employ 8 people
4. Wind energy has been in our local area for 3 years
5. Our business has improved financially as a result of the local wind industry
 - a. AGL Hallett 1 & 2 also Roaring 40's Waterloo
6. Other local businesses have benefitted, such as the butcher, bakery, supermarket & fruit & veg as we buy more produce for our motel & restaurant. Also the petrol station, tyre service, plumber & builder as we use their services more often for repairs & maintenance.
7. The local community has also benefitted because we are able to offer

our staff more hours of work & also employ more staff.

The sporting clubs & community events have received grants from AGL.

The windfarm staff have boost the population, so more children in the local school

8. We support the wind energy in our local area because it has boosted our local economy giving jobs to locals & supporting local businesses
