

Managed pasture small Brigalow regrowth aprx 6000/Ha

17.04.2009

Same manager similar density Brigalow 4yrs older just through the fence

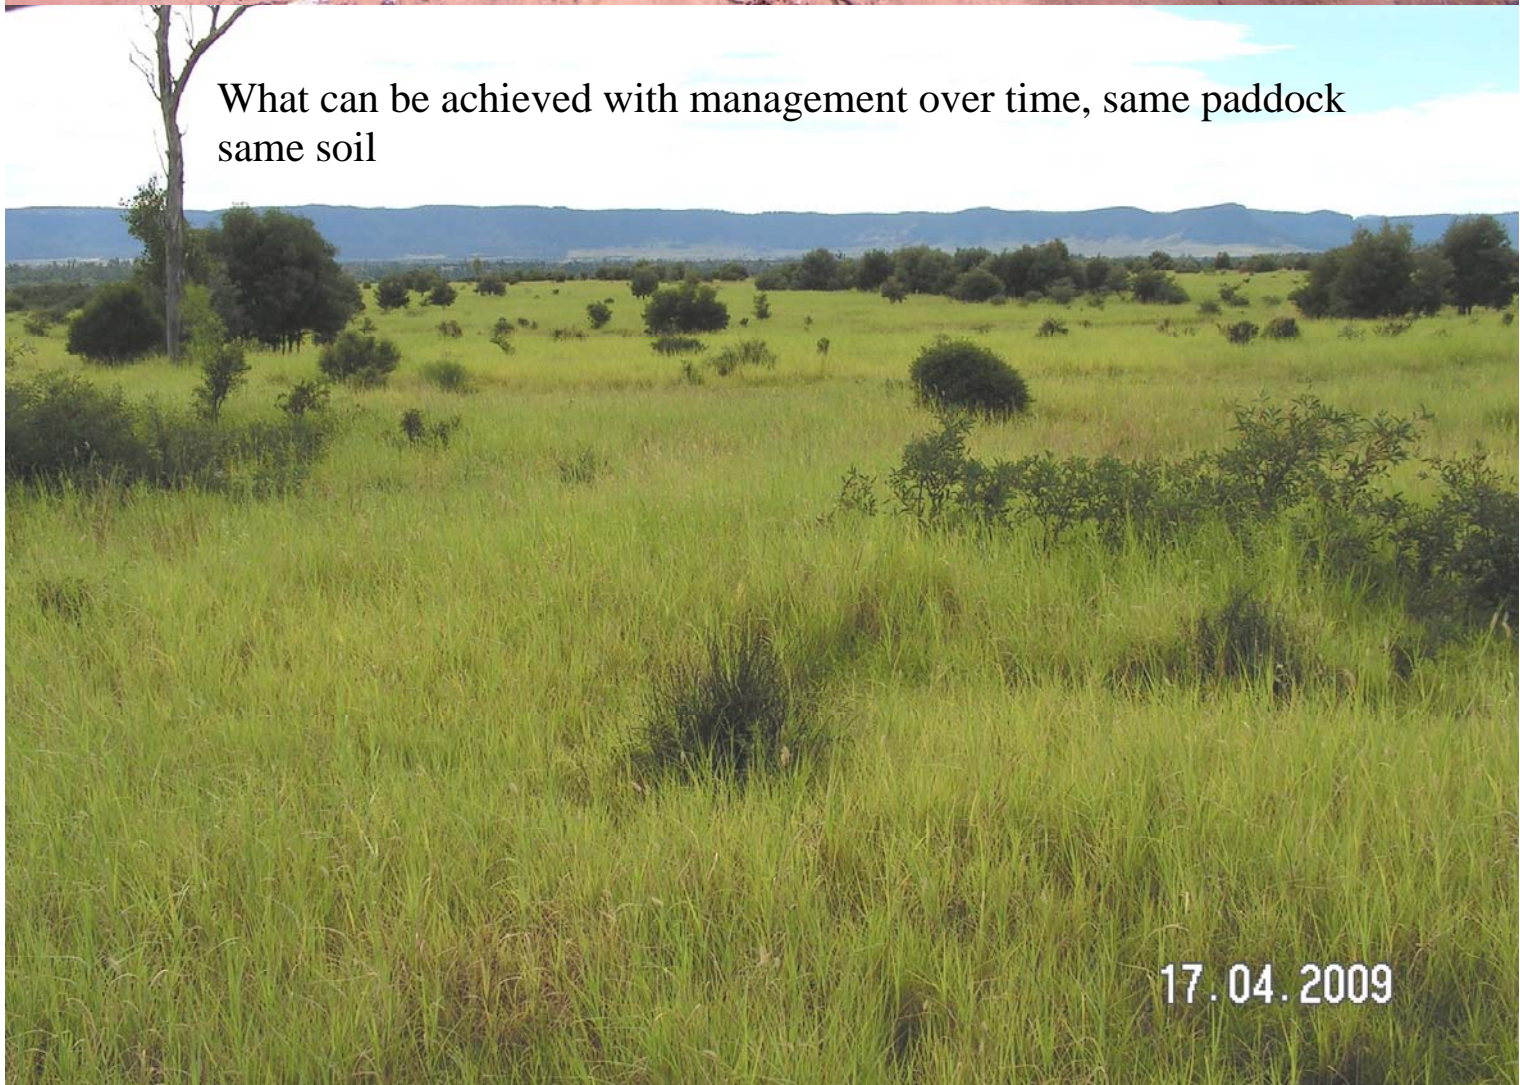

17.04.2009

Brigalow regrowth, 3 years older again, left to their own devices fight for light & moisture, no one tree dominates quickly & my soil is headed for the GBR

17.04.2009

What can be achieved with management over time, same paddock same soil
