

**Professor Peter Kanowski – Questions on Notice – Environment  
Protection and Biodiversity Conservation Amendment (Regional Forest Agreements)  
Bill 2020 inquiry - Senator Rice**

**Please outline the funding amounts and dates for funding you've received from forestry bodies, including government and businesses entities.**

**Peter Kanowski – external funding since joining ANU in 1995**

**Research Grants**

- Australian Centre for International Agricultural Research. *Advancing enhanced wood manufacturing in Lao PDR*. 2017-20. Leadership of Objective 1 activities (Project Leader – Professor B Ozarska, Univ. of Melbourne). AUD\$600K.
- Australian Centre for International Agricultural Research. *Improving policies for forest plantations to balance smallholder, industry and environmental needs in Lao PDR and Vietnam*. 2016-19. Leadership of ANU participation (Project Leader – Professor R Keenan, Univ. of Melbourne). AUD\$90K, + \$10K funded extension
- Australian Centre for International Agricultural Research. *Enhancing key elements of the value chains for plantation-grown wood in Lao PDR*. 2012-17. Leadership of Objective 1 activities. AUD\$600K.
- Australian Research Council (led by Sango Mahanty; with Wolfram Dressler and Luca Tacconi). *The political ecology of forest carbon: mainland SE Asia's new commodity frontier?* 2012-14. AUD\$450K.
- Australian Centre for International Agricultural Research. *Improving the Papua New Guinea balsa value chain to enhance smallholder livelihoods*. 2011-16. Project leader. AUD\$1M.
- Australian Centre for International Agricultural Research. *Integrating commercial tree growing into Papua New Guinea village farming systems*. 2007-10. Project leader. AUD\$910K.
- Forest & Wood Products Research & Development Corporation. *Global forest practices study*. 2006-7. AUD\$50K.
- Australian Centre for International Agricultural Research. *Value-adding to PNG agroforestry systems – scoping study*. 2005-6. Project leader. AUD\$150K.
- Cooperative Research Centre for Forestry. *Communities and education programs*. 2005-2011. AUD\$1.4M.
- Australian Research Council (led by Richard Baker, with Jon Altman). Linkage PhD Scholarship, with DAFF and ILC, to evaluate *Development and implementation of the National Indigenous Forestry Strategy*. 2004-7. AUD\$100K.
- Australian Centre for International Agricultural Research. *Hybrid eucalypts for marginal lands in south and east South Africa and southern Australia*. 2002-5. Project Leader. AUD\$1M.
- Forest & Wood Products Research & Development Corporation. *Forests, wood products and environmental issues: perceptions and attitudes*. 2001-2. AUD\$70K.
- Forest & Wood Products Research & Development Corporation. *Scoping study: Centre for Forest Sector Market Intelligence*. 2002. AUD\$100K.
- Agriculture, Fisheries & Forestry Australia. *Review studies of forest certification*. 1999 & 2000. AUD\$100K.
- The World Bank. *Pre-consultation synthesis: East Asia-Pacific*. Forest Policy Implementation Review and Strategy, East Asia-Pacific Regional Consultation. 2000. US\$25K
- Forest & Wood Products Research & Development Corporation. 1996-8. *Breeding objectives and selection criteria to maximise the economic value of sawn timber*. AUD\$150K.

**2 Education grants**

- Australian Learning and Teaching Council. *Australian forestry education network*. 2011-2013. AUD\$95K.
- Australian Department of Climate Change/ Department of Agriculture Fisheries & Forestry. *Asia-Pacific Forestry Skills & Capacity Building Program*. 2008. AUD\$300K.
- Australian Department of Education, Science & Technology. *National Professional Forestry Masters Program*. 2007-9. AUD\$1.58 M

- The World Bank. Development Grant, *International Partnership for Forestry Education*. 2003-4. US\$150K.
- Environment Australia. *Graduate Program in Farm Forestry*. 2000-1. AUD\$45K.

**Work undertaken on a consultancy basis**

Australian, NSW, Queensland and WA Governments: various technical committee roles on RFA processes, 1996-2000

NSW RACAC: Chairing of Southern Regional Forest Forum, 1997-2000

NSW RACAC: Co-facilitation of Community Stakeholder Group, Western Regional Assessment, 2001 – 2003

NSW NRC: Technical Committee member, Red Gum and Western Cypress Assessments, 2009 – 2010

Australian Government: 2011 State of Environment Committee, 2009 – 2011.

Total income, paid to the Australian National University: \$90K
