Dear Dr Switkowski,

Answers to Questions on Notice outstanding

Thank you for your letter of 28 February 2014 in regards to the NBN Co answers to questions on notice still outstanding.

The Committee remains concerned that a significant number of answers to questions on notice remain outstanding. While the committee appreciates the time and effort required to prepare answers to questions on notice, it reminds you of the Government's commitment to transparency and scrutiny in its statement of expectations for NBN Co.

The committee would appreciate if all of the remaining answers to questions on notice were provided to it before NBN Co's appearance at the public hearing on 12 March 2014.

A copy of this letter has been forwarded to the Minister for Communications, the Hon Malcolm Turnbull MP, and to the Secretary of the Department of Communications, Mr Drew Clarke.

Should you require any further information regarding this matter, or have questions, please contact the Committee Secretary, Mr David Sullivan, on (02) 6277 3538.

Yours sincerely

Senator the Hon Kate Lundy
Chair
Senate Select Committee on the National Broadband Network
