## **Submission by the Returned & Services League of Australia**

Thank you for your invitation to make a submission to your Joint Standing Committee on Treaties

The RSL appreciates the opportunity to examine the proposed *Treaty between the Government of Australia and the Government of the Kingdom of the Great Britain and Northern Ireland for Defence and Security Cooperation (Perth, 18 January 2013)* and tenders the following comments:

We are in broad agreement with and support the proposed treaty. We see no issues as it appears to be an extension or maturing of long standing bi-lateral security arrangements which have already been afforded the highest scrutiny.

*Yours sincerely,*
