

Hi Sir/ Madam,

I came to Australia to make a better future and to settle down here after the completion of my studies. I was offered 60 points for my degree and on the base of point system, i planned to come to Australia and study and settle here. I am going to finish my studies by 26th of June, 2010. However due to the recent changes in the GSM visas and with the introduction of new SOL, my degree is not present in the SOL. Now it looks to me that i have wasted couple of important years of my life and my parents' hardly earned money.

Please if you can get the changed reverted back, that would be a big relief for all of us.

thanks
