Dear Sir / Madam,

Migration Amendment (Visa Capping) Bill 2010

I strongly oppose this bill because this is not fair. We have spent so much money and golden period of our life. We are making contribution in the economy and paying tax.

We thought this country is very good and our future will be bright. We will live happy and peaceful life in Australia. We want to be a part of Australia. We have never done anything wrong with this country. We have done everything legally.

Yes, you should catch illegal people who submit their files illegally and terminate their files but please don't terminate legally lodged files. Please see how many refugee people are coming and getting permanent residency for free but we are working very hard for it.

I will be very thankful to you for this.

Kind regards,
Gabbar Daku
