Answers to Written Questions on Notice

Question:

Is Robert Cook a director or shareholder of any oil or gas companies?

Answer:

I am not a director of any oil or gas company and I hold no shares in any oil or gas company.

I have worked in the oil and gas industry for more than 50 years and have first hand experience in enhanced oil recovery (tertiary recovery) from oil fields. The technology has yet to be implemented commercially at any Australian oil field.
