To whom it may concern,

I would like to make a submission regarding the Social Services Legislation Amendment (Strengthening Income Support) Bill 2021.

The rate that jobseeker was during covid (the full supplement) allowed me to afford to eat three square meals a day, pay for my medicine, and utilities. On the reduced rate im habing trouble making everything work already, as i cant afford my utilities this month. Next month i wont be able to afford my rent if the rate hoes down below \$55/day.

Dont do this. Youll be sentencing me to homelessness and starvation. Its heartless.

Yours sincerely,
