

INQUIRY QUESTION

(Question No. 02)

The Hon. Ms Lisa Chesters MP asked the Australian Submarine Agency the following question, upon notice, on 02 October 2025:

Do you see the need for a specific visa, or do you think our current visa system facilitates the workers that we need to come in? Do you have any idea on the quantum?

The Australian Submarine Agency provides the following answer:

The Australian Submarine Agency (ASA) is working closely with the Department of Home Affairs to ensure Australia's skilled visa options are suitable to enable the attraction and employment of individuals with the priority skills critical to the Nuclear-Powered Submarine Program. Specific questions on Australia's visa and migration pathways should be referred to the Department of Home Affairs.
