

### Form Letter 3

The following form letter, first received from Mr Ted Slater, was also subsequently received, in a similar format with minor variation to content, from an additional 6 individuals.

**Submission to the Lower House Select Committee on Health**

**Inquiry into the use and marketing of e-cigarettes and personal vaporisers in Australia**

Your Name

Your title

Your store address

Your state

Your postcode

Some information about you and your store:

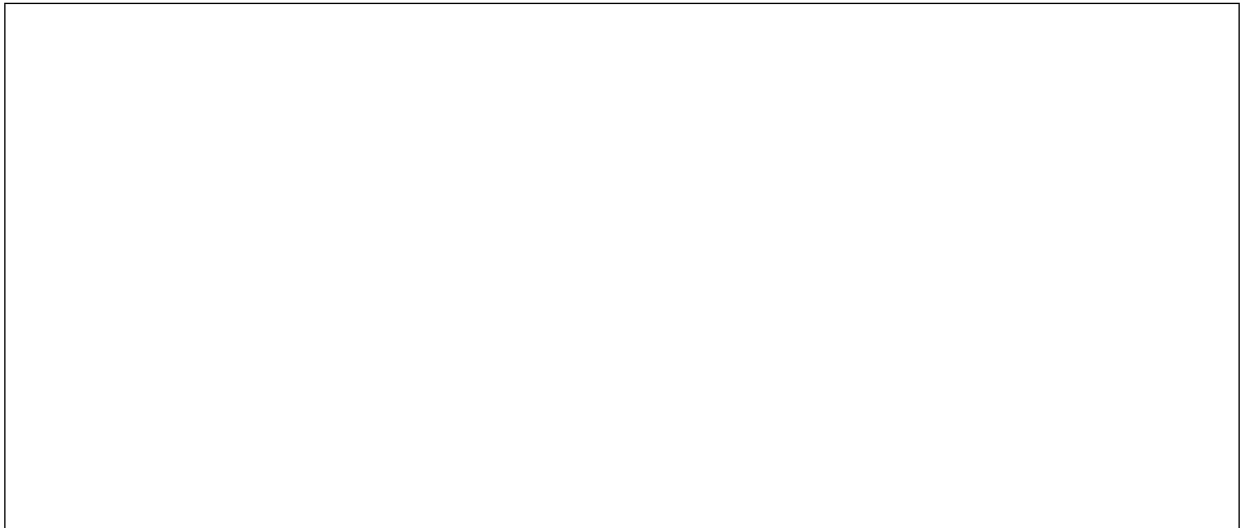

How often do you get enquiries from customers asking for e-cigarettes or nicotine?:

If your store was able to sell e-cigarettes how do you think this would affect your businesses?:

If e-cigarettes containing nicotine were legalised but your store was prevented from selling them how would this affect your business?

How do you feel now about being prevented from selling e-cigarettes containing nicotine while people can freely purchase these products online from overseas sellers?:

If you were prevented from selling e-cigarettes containing nicotine how do you feel this would affect your business?:
