Re: Social Security Legislation Amendment (Debit Card Trial) Bill 2015

To the senate enquiry

My name is Grant Thiselton born in Ceduna Hospital in 1954.

I am a long term local business person and rate payer here as well.

I was never informed of the new debit card nor had I seen any information from council on the implementation of the trial or the extra powers given to this card

No one I have spoken to had any idea of what the council had done until a week or two ago when it was in the paper.

If the normal person on the street had been consulted and informed I am sure there would have been a resounding no.

I certainly vote no to the trial here and anywhere else in Australia its an insult to so many peoples dignity .

Sincerely yours

Grant Thiselton
