Dear [REDACTED]

I refer to the letter from Senator Bragg to me dated 25th March.

I note that I have previously answered the first of the questions in this letter, both in my appearance before the Committee and in a written response to a series of questions from Senator Bragg, including this one, dated 24th October 2024

My answer to that question remains as it was on both of those occasions, that is to say, 'no'.

And for the same reason, my answer to Senator Bragg's second question is also 'no'.

Yours sincerely
