Dear Mr Fitt,

**Re: Inquiry into non-conforming building products – additional information**

I write to correct some information that I provided the Senate Economics Reference Committee in Sydney on 19 July.

I refer to following exchange from Hansard:

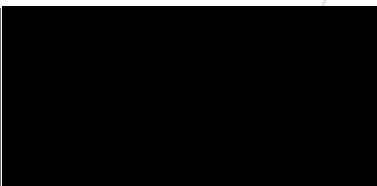

**Senator KIM CARR:** So what sort of stocks do you have?

**Mr A Gillies:** The value of our current PE core stock would be in the order of \$150,000 or \$200,000.

A subsequent review of stock held at our Lithgow headquarters revealed the value of our current PE core stock would be in the order of \$400,000.

I ask that the Committee be made aware of this correction.

Yours sincerely,

Andrew Gillies
