

RE: Senate Select Committee on Electricity Prices - Additional questions on notice

Please find below Peter's answers in regards to your questions:

Do you believe the AEMC's draft proposal for a three-tiered tariff system would adequately protect vulnerable and low-income consumers?

YES

Do you support the AEMC's draft proposal for a three-tiered tariff system?

YES

Are there any ways in which the AEMC's three-tiered tariff system could be improved to offer better protections to vulnerable and low-income consumers?

NOT APPARENT

Peter Tighe
