Senate Standing Committee on Education and Employment Legislation Education Services for Overseas Students Amendment (Quality and Integrity) Bill 2024 [Provisions]

## 2 October 2024

## QoN Number: 14

#### Subject: Impact of the increase in student visa fees

Asked by: Sarah Henderson

Question:

Senator HENDERSON: Has the department analysed the impact of the increase in the student visa fee to \$1,600, particularly in relation to short-term courses? It looks like there's been a significant drop off in student visa applications. Could you update us? [...]

Senator O'SULLIVAN: Just to clarify, we're after the impact of it [...]

Senator HENDERSON: For the first three months, the increased visa charge did not apply. So what we're asking for is: have you done any analysis on what has been the impact of that visa charge? I think it was since 1 July.

Mr Tegg: That's correct. The visa application charge increase came into effect on 1 July. I think it will probably be too early at this stage to understand the exact impact of that change due to the nature of how visa applications are lodged. Coming into the end of the year, we will probably have a better understanding of that.

Senator HENDERSON: Could you provide with us with the data?

Mr Tegg: Sure, absolutely.

Senator HENDERSON: Could you provide us with the student visa application data for this year on a month-by-month basis—

Mr Kilner: Yes.

Senator HENDERSON: for applications, acceptances and refusals? Mr Tegg: Applications—

Senator HENDERSON: Obviously, as you've heard today, ministerial direction 107 is having a catastrophic impact on many education providers. Are you able to give us the latest data for the last month—is September available yet?

Mr Kilner: Yes. Sorry, one moment.

Senator HENDERSON: How many student visa applications were either accepted or refused, please?

Mr Kilner: Our data so far is just to 31 August, for the majority of our reporting. I can give you July and August figures.

Senator HENDERSON: Yes, please.

Mr Kilner: For the total number of lodgements for student visas, I've got 32,124 in July and 36,681 in August.

Senator HENDERSON: Those are lodgements. How many acceptances?

Mr Kilner: They're next. For the number of visas granted, I have 34,539 in July. Senator HENDERSON: I thought there were 32,000 applications.

Mr Kilner: Those were lodgements, and that will include cases that have been granted or processed that were on hand at 30 June. There were 34,539 visas granted in July and 27,814 in August. There were 9,368 refusals in July and 6,573 in August.

Senator HENDERSON: Could you table the document from which you're reading?

### Answer:

Student visa lodged, granted and refused data by education sector from the 2018-19 financial year to the 2024-25 financial year (at 31 August 2024), by month, is provided at QoN Number 15.

#### Subject: Student visa grants

Asked by: Sarah Henderson

#### Question:

Senator HENDERSON: Could I also ask you to provide a breakdown of student visa grants and rejections in each category for each financial year since 2019 and in the last two years, month by month, so we can see a full picture. Mr Kilner: Certainly. I think the document I just tabled has most of that information, but I'll double-check that, and we'll certainly be able to table that for you.

#### Answer:

Student visa lodged, granted and refused data by education sector from the 2018-19 financial year to the 2024-25 financial year (at 31 August 2024) by month is attached.

Senate Standing Committee on Education and Employment Legislation Education Services for Overseas Students Amendment (Quality and Integrity) Bill 2024 [Provisions]

## 2 October 2024

## **QoN Number: 16**

#### Subject: Student visa data

Asked by: Sarah Henderson

#### Question:

Senator HENDERSON: Is it possible to get a soft copy of this document? [...] This data starts from the beginning of 2023. Is it possible to get this-the way you've broken down this data—but from 2019? Mr Kilner: Yes. Senator HENDERSON: It looks like this is dataset 2. There must be a dataset 1: is

there? Could we get that, starting from 2019, which was my question already. Mr Kilner: Yes. We'll get it back to you.

Senator HENDERSON: Thanks.

## Answer:

A soft copy of Data Set 2 as referred to at the Hearing is attached.

Student visa lodged, granted and refused data by education sector from the 2018-19 financial year to the 2024-25 financial year (at 31 August 2024), by month, has been provided in response to QoN Number 15.

Senate Standing Committee on Education and Employment Education Services for Overseas Students Amendment (Quality and Integrity) Bill 2024

### 2 October 2024

## QoN Number: 17

#### Subject: Cost of IT upgrades

#### Asked by: Mehreen Faruqi

#### Question:

Senator FARUQI: I want to follow up from some of the questions that Senator Henderson was asking about the IT system and its upgrade. I think on 6 August evidence was given that this new system would require significant changes to Home Affairs systems, including your IT, but you were unable to provide details of a timeline or the cost of it. Do you have the cost?

Mr Kilner: I'm not able to provide the cost, because it's a subset of overall changes that are being made. Our system has three major releases a year that reflect the introduction of new visa classes, amendments to the rules that are in the visa classes et cetera. Obviously, we're also in the process of implementing the government's migration strategy, with introduction of potential new subclasses coming in towards the end of this calendar year as part of the same release cycle. So it's not possible to quantify the exact changes.

Senator FARUQI: What's the overall cost?

Mr Kilner: I don't have the total figure because it's part of our annual IT expenditure, which is a routine cost. I can come back to you on notice, if I can, but the actual costs or changes required in our—

Senator FARUQI: Surely they are costed in some way, shape or form— Mr Kilner: Sure.

Senator FARUQI: so, if you could, take that on notice.

Mr Kilner: I'll take that on notice.

#### Answer:

The Department of Home Affairs submission on the inquiry into the *Education Services for Overseas Students Amendment (Quality and Integrity) Bill 2024* notes that successful implementation..."is likely to require significant development for both the Department and the Department of Education."

The ICT costs for Home Affairs to implement these changes are a subset of the overall changes that are being made to its Visa ICT systems. Each year, there are

three major releases that reflect the introduction of new visa classes and amendments to the rules that apply to visa classes.

The average Home Affairs cost of an individual release is approximately \$9.3 million. Home Affairs is in the process of implementing the Migration Strategy and new visa classes and as such it is difficult to isolate the cost of individual changes.
