Dear Stephen

**Re: Page 24 Thursday 12th July 2018, Industrial Deaths in Australia**

I would request that an error made during my evidence to the Committee be corrected. In the paragraph beginning “With pleasure. Currently in health and safety ....”

- The first reference to 5 and 10 days is incorrect. The correct period recorded is one week and two weeks
- The second reference to 10 days is incorrect. The correct period is one week.<sup>1</sup>

Therefore replace

- 5 and 10 days with *one week or two weeks*
- 10 days with *one week*.

I hope that my mistake can be rectified.

Kind regards

Deborah Vallance
