

Australian Government
Department of Health

DEPUTY SECRETARY

19 November 2015

Ms Jeanette Radcliffe
Secretary
Senate Committee on Community Affairs
Parliament House
CANBERRA ACT 2066

Dear Ms Radcliffe

**Correction of evidence to Senate Community Affairs Legislation Inquiry of
16 November 2015 - *Health Insurance Amendment (Safety Net) Bill 2015***

I am writing to correct the evidence provided to the Senate Committee by the Department of Health at the Committee Hearing on 16 November 2015.

In answering a question from Senator Moore, I said: "Of the remaining 40 per cent, about eight in 10 of those [private radiation oncology] services are provided by Genesis Care – so about 32 in every 100 are provided by Genesis Care..." (Hansard, Senate Community Affairs Legislation Committee, Monday, 16 November 2015, proof copy page 39).

On review, it is around seven in 10 private services which are provided by Genesis Care – or about 28 in every 100 of total radiation oncology services (out of hospital) which are provided by Genesis Care.

Yours sincerely

Mr Andrew Stuart
