Note: For example, if an application to register a political party would be refused because subsection 126(2B) would be contravened, the party could change the person who is to be the registered officer of the party so subsection 126(2B) is not contravened.

 - (a) send a second penalty notice by post; or
 - (b) arrange for a second penalty notice to be delivered by other means; to the elector, at his or her latest known address.

- (6A) The second penalty notice must, subject to subsection (7), have the same form as the first penalty notice but bear a notation to the effect that a previous notice in the same terms was sent to the elector but that a response in the manner indicated in subparagraph (5)(c)(i), (ii) or (iii) was not received.
- (7) The provisions of this section, other than subsection (6), apply in relation to a second penalty notice:
- (a) as if it were a penalty notice issued under subsection (3); and
 - (b) as if, in the provisions of this section as so applied, references to paragraphs and subparagraphs of subsection (5) included references to those paragraphs and subparagraphs as applied by this section.
- (8) If, within the prescribed time:
- (a) an elector responds to a penalty notice in the manner indicated in subparagraph (5)(c)(i) or (ii) and the DRO to whom the response has been given is satisfied:
 - (i) in the case of a response of the kind referred to in subparagraph (5)(c)(i)—that the elector did vote as required by this Act; or
 - (ii) in the case of a response of the kind referred to in subparagraph (5)(c)(ii)—that the reason for the failure to vote is a valid and sufficient reason; or
 - (b) an elector responds to a penalty notice by paying the penalty of \$20;
- proceedings against the elector for a contravention of subsection (15) are prohibited.
- (9) If the DRO to whom a response to a penalty notice has been given under subparagraph (5)(c)(i) or (ii) within the prescribed time is not satisfied:
- (a) in the case of a response of the kind referred to in subparagraph (5)(c)(i)—that the elector voted as required by this Act; or

Section 15T24515T

- (b) in the case of a response of the kind referred to in subparagraph (5)(c)(ii)—that the reason for the failure to vote is a valid and sufficient reason;
the DRO must send by post or deliver to the elector, at his or her latest known address, a notice in an approved form, notifying the elector that:
 - (c) the DRO is not so satisfied; and
 - (d) if the elector does not wish to have the apparent failure to vote without a valid and sufficient reason for such failure dealt with by a court, he or she may, within the prescribed time, pay to the DRO a penalty of \$20.
- (10) If, in response to a notice under subsection (9), the penalty of \$20 is paid to the DRO within the prescribed time, proceedings against the elector for a contravention of subsection (15) are prohibited.
- (11) If an elector is unable, by reason of absence from his or her place of living or physical incapacity, to respond to a penalty notice or to a notice under subsection (9) within the prescribed time, any other elector who has a personal knowledge of the facts may, subject to the regulations, respond to the notice within that time, and such response is to be treated as compliance by the first-mentioned elector with the notice.
- (12) The DRO must prepare a list of all electors to whom a penalty notice has been sent or delivered and note on that list in relation to each elector:
 - (a) whether there has been a response to the notice; and
 - (b) if there has been a response:
 - (i) whether the DRO is satisfied that the elector did in fact vote or that there was a valid and sufficient reason for the elector's failure to vote; or
 - (ii) whether the penalty has been paid.
- (13) The DRO must note on the list prepared under subsection (12) in relation to each elector to whom a notice under subsection (9) has been sent or delivered:

- (a) the fact that a notice has been sent or delivered under subsection (9); and
 - (b) whether there has been a response to the notice; and
 - (c) if there has been a response—whether the penalty has been paid.
- (14) Without limiting the circumstances that may constitute a valid and sufficient reason for not voting, the fact that an elector believes it to be part of his or her religious duty to abstain from voting constitutes a valid and sufficient reason for the failure of the elector to vote.
- (15) An elector commits an offence if the elector fails to vote at an election.
- Penalty: 1 penalty unit.
- (15A) Strict liability applies to an offence against subsection (15).
- Note: For *strict liability*, see section 6.1 of the *Criminal Code*.
- (15B) Subsection (15) does not apply if the elector has a valid and sufficient reason for the failure.
- Note: A defendant bears an evidential burden in relation to the matter in subsection (15B) (see subsection 13.3(3) of the *Criminal Code*).
- (15C) An elector who makes a statement in response to a penalty notice or to a notice under subsection (9) that is, to his or her knowledge, false or misleading in a material particular commits an offence.
- Penalty: 1 penalty unit.
- (16) Proceedings for an offence against this section may be instituted only by the Electoral Commissioner or an officer authorised, in writing, for the purpose by the Electoral Commissioner.
- (17) In this section, *elector* does not include:
- (a) an Antarctic elector; or
 - (b) an eligible overseas elector; or

- (4) Sections 209, 210, 212, 213 and 214 apply in relation to ballot papers prepared under this section as if a reference in sections 210, 212 and 214 to the printing of ballot papers were a reference to such preparation.

251 Ballot papers to be initialled

Section 215 applies to the polling at a station in Antarctica as if the reference in that section to the proper officer were a reference to the Antarctic Returning Officer for that station.

252 Candidates not to take part in polling

A candidate shall not take part in any way in the conduct of the polling in Antarctica.

253 The polling in Antarctica

- (1) The polling at a station in Antarctica shall be conducted as follows:

255 Questions to be put to voter at Antarctic station

- (1) The Antarctic Returning Officer for a station shall put to each person claiming to vote at the station such questions as the officer thinks necessary to enable the person's identity and place of living to be established.
- (2) If a person claiming to vote refuses to answer fully a question put to him or her under this section, the person's claim to vote at the station shall be rejected.

256 Right of Antarctic elector to receive ballot paper

The Antarctic Returning Officer or the Assistant Antarctic Returning Officer for a station shall, at the polling, give to each person claiming to vote at the station a ballot paper for the Division or State, as the case requires, for which the person is enrolled, duly initialled by the Antarctic Returning Officer, if the name under which the person claims to vote has been transmitted to the Antarctic Returning Officer in pursuance of paragraph 250(1)(b) or (2)(b), as the case may be, and the person's claim to vote is not rejected.

257 List of Antarctic electors to be marked

Immediately upon giving a ballot paper to the person claiming to vote, the Antarctic Returning Officer or the Assistant Antarctic Returning Officer shall record on the statement prepared by the officer under subsection 250(3) the fact that the ballot paper has been given to that person.

258 Application of sections 233 and 234

Sections 233 and 234 apply to the polling at a station as if:

- (a) each reference in those sections to an unoccupied compartment of the booth were a reference to an unoccupied part of the station; and
- (b) paragraph 233(c) were omitted.

259 Proceedings by Antarctic Returning Officer on close of poll

At the close of the poll, the Antarctic Returning Officer shall, in the presence of the Assistant Antarctic Returning Officer:

- (a) open the ballot-box; and
- (b) transmit to the Australian Electoral Officer designated by the Electoral Commissioner for the purpose of this paragraph:
 - (i) particulars of each elector enrolled for a State who has voted in elections held in the State in the poll taken at the station;
 - (ii) unless subparagraph (iii) applies—particulars of the marking of each ballot paper; and
 - (iii) if the Antarctic Returning Officer is unable clearly to read or understand the particulars referred to in subparagraph (ii)—a statement to that effect together with such information relating to those particulars as the Antarctic Returning Officer thinks sufficient to explain that inability; and
- (c) cause a statement in writing of the information transmitted to be prepared.

260 Result of the polling in Antarctica

- (1) Upon receipt of the particulars referred to in subparagraph 259(b)(ii), an Australian Electoral Officer shall forthwith:

 - (d) sign the envelope; and
 - (e) cause to be sent to the Divisional Returning Officer for the Division to which the ballot paper relates the envelope containing the ballot paper.
- (2) An officer shall not mark a ballot paper under this section in a manner that is likely to enable the ballot paper to be identified as representing the vote of an Antarctic elector.
- (3) Upon receipt of information under subsection (1), an Australian Electoral Officer shall forthwith:
- (a) cause a statement in writing of that information to be prepared; and
 - (b) cause to be sent to each Divisional Returning Officer for a Division to which a ballot paper referred to in paragraph (1)(b) relates particulars of the Antarctic electors who have voted in the election in relation to the Division.
- (4) A reference in Part XVIII to scrutiny:
- (a) includes a reference to scrutiny of any act or thing done in pursuance of paragraphs (1)(a) to (d) (inclusive); and
 - (b) does not include a reference to scrutiny of:
 - (i) any act or thing done in Antarctica; or
 - (ii) the transmission of any information to or from Antarctica.
- (5) For the purposes of subsection 274(4), a ballot paper marked in accordance with paragraph (1)(b) shall be deemed to have been used for voting in pursuance of Part XVA (Pre-poll voting).

261 Preservation of ballot papers etc.

- (1) As soon as practicable after the close of the poll for an election, the Antarctic Returning Officer for each station shall forward to the Electoral Commission a copy of the statements prepared by the
-

officer under subsection 250(3) and paragraph 259(c) and the ballot papers used for voting at the station.

- (2) The documents to which this subsection applies that are used at or in connection with an election shall be preserved in accordance with directions of the Commission for the purposes of this subsection until:
- (a) the election can no longer be questioned; or
 - (b) the expiration of the period of 6 months commencing on the date of the declaration of the poll;
- whichever last occurs.
- (3) Subsection (2) applies to the following documents:
- (a) the statements referred to in subsection 250(3), paragraph 259(c) and paragraph 260(3)(a);
 - (b) the ballot papers referred to in paragraph 260(1)(b); and
 - (c) the ballot papers prepared by an Antarctic Returning Officer and used for voting in Antarctica.

262 Application of Part

This Part applies in relation to a Territory as if a reference in this Part to a State were a reference to a Territory.

Part XVIII—The scrutiny

263 Scrutiny

The result of the polling shall be ascertained by scrutiny.

264 Scrutineers at scrutiny

- (1) A candidate may appoint scrutineers to represent the candidate at the scrutiny.
- (2) A candidate is not entitled to be represented at the scrutiny at a particular counting centre by a number of scrutineers that is greater than the number of officers who are engaged in a scrutiny or counting of ballot papers at that centre.
- (3) The appointment of a scrutineer under this section to represent a candidate at a counting centre:
 - (a) shall be made by notice in writing signed by the candidate and given or sent to the officer who is to conduct, or is conducting, the scrutiny at the counting centre; and
 - (b) shall specify the name and address of the scrutineer.
- (3A) A person who is present at the scrutiny in the capacity of a scrutineer shall wear a badge, supplied by the Electoral Commission, that identifies the person as a scrutineer.
- (4) In this section, *counting centre* means any premises at which a scrutiny or counting of ballot papers is to be, or is being, conducted.

265 Scrutiny, how conducted

- (1) The scrutiny shall be conducted as follows:
 - (a) It shall commence as soon as practicable after the closing of the poll;

- (b) Such scrutineers as have been duly appointed pursuant to section 264, and any persons approved by the officer conducting the scrutiny, may be present;
 - (c) All the proceedings at the scrutiny shall be open to the inspection of the scrutineers;
 - (d) The scrutiny may be adjourned from time to time as may be necessary until the counting of the votes is complete.
- (2) During a scrutiny, the scrutineers must be allowed to inspect, in addition to the preference votes being counted in the scrutiny, any other preference vote given for a candidate unless, in the opinion of the Assistant Returning Officer, DRO or Australian Electoral Officer, as the case may be, this would unreasonably delay the scrutiny.

266 Preliminary scrutiny of declaration votes

- (1) At any time on or after the last Monday before the close of the poll for a Division, the DRO shall conduct such preliminary scrutineers as he or she considers necessary until:
- (a) all written applications for postal votes have been produced;
 - (b) all envelopes received by the DRO before the end of 13 days after the close of the poll and purporting to contain postal ballot papers have been dealt with under this section; and
 - (c) all other envelopes received by officers prior to the close of the poll and purporting to contain ballot papers bearing declaration votes have been dealt with under this section.
- (2) The DRO shall give notice of the commencement of a preliminary scrutiny as follows:
- (a) a notice specifying the date, time and place of commencement shall be displayed in a prominent place in the DRO's office;
 - (b) the notice shall be displayed not later than 4 p.m. on the day before the day of commencement.
- (3) A preliminary scrutiny for a Division shall be conducted according to the rules set out in Schedule 3.

Section 15T26715T

- (4) The DRO may, from time to time, adjourn a preliminary scrutiny to a specified date, time and place.
- (5) For the purposes of this Part, anything done under this section in relation to an election shall be taken to be part of the scrutiny in relation to the election.

267 Action on objections to ballot papers

- (1) If a scrutineer objects to a ballot paper as being informal, the officer conducting the scrutiny shall mark the ballot paper *admitted* or *rejected* according to the officer's decision to admit or reject the ballot paper.
- (2) Nothing in this section shall prevent the officer conducting the scrutiny from rejecting any ballot paper as being informal although it is not objected to.

268 Informal ballot papers

- (1) A ballot paper shall (except as otherwise provided by section 239, and by the regulations relating to voting by post) be informal if:
 - (a) subject to subsection (2), it is not authenticated by the initials of the presiding officer or a voting officer (within the meaning of Division 3 of Part XVA), or by the presence of the official mark;
 - (b) subject to sections 268A and 269, in a Senate election, it has no vote indicated on it, or it does not indicate the voter's first preference for 1 candidate and then consecutively number at least 11 other candidates in the order of his or her preference;
 - (c) in a House of Representatives election, it has no vote indicated on it, or it does not indicate the voter's first preference for 1 candidate and an order of preference for all the remaining candidates:

Provided that, where the voter has indicated a first preference for 1 candidate and an order of preference for all the remaining candidates except 1 and the square opposite the name of that candidate has been left blank, it shall be deemed

Section 15T268A15T

that the voter's preference for that candidate is the voter's last and that accordingly the voter has indicated an order of preference for all the candidates:

Provided further that, where there are 2 candidates only and the voter has indicated his or her vote by placing the figure 1 in the square opposite the name of 1 candidate and has left the other square blank or placed a figure other than 2 in it, the voter shall be deemed to have indicated an order of preference for all the candidates;

- (d) it has upon it any mark or writing (not authorized by this Act or the regulations to be put upon it) by which, in the opinion of the Divisional Returning Officer, the voter can be identified:

Provided that paragraph (d) shall not apply to any mark or writing placed upon the ballot paper by an officer, notwithstanding that the placing of the mark or writing upon the ballot paper is a contravention of this Act; or

- (e) in the case of an absent vote—the ballot paper is not contained in an envelope bearing a declaration made by the elector under subsection 222(1) or (1A).
- (2) A ballot paper to which paragraph (1)(a) applies shall not be informal by virtue of that paragraph if the Divisional Returning Officer responsible for considering the question of the formality of the ballot paper is satisfied that it is an authentic ballot paper on which a voter has marked a vote and the officer has endorsed the ballot paper with the words 'I am satisfied that this ballot paper is an authentic ballot paper on which a voter has marked a vote.'
 - (3) A ballot paper shall not be informal for any reason other than the reasons specified in this section, but shall be given effect to according to the voter's intention so far as that intention is clear.

268A Formal votes below the line

- (1) A ballot paper in a Senate election is not informal under paragraph 268(1)(b) if:

Section 15T26915T

- (a) the voter has marked the ballot paper in accordance with paragraph 239(1)(b); or
- (b) if there are more than 6 squares printed on the ballot paper below the line—the voter has consecutively numbered any of those squares from 1 to 6 (whether or not the voter has also included one or more higher numbers in those squares).

(2) For the purposes of this Act:

- (a) a voter who, in a square printed on the ballot paper below the line, marks only a single tick or cross is taken as having written the number 1 in the square; and
- (b) the following numbers written in a square printed on the ballot paper below the line are to be disregarded:
 - (i) numbers that are repeated and any higher numbers;
 - (ii) if a number is missed—any numbers that are higher than the missing number.

Note: Paragraph (2)(b) applies both for the purposes of determining whether a ballot paper is formal, and for the purposes of determining which numbers marked on a ballot paper are counted in the election.

Example: A ballot paper has squares below the line that are numbered 1, 2, 3, 3, 4, 5 and 6. The vote is informal because, by disregarding the numbers 3 and upwards under subparagraph (2)(b)(i), only 2 squares have been numbered.

A second ballot paper has squares below the line that are numbered consecutively from 1 to 9 and then 11, 12, 13 and 14. The vote is formal under paragraph (1)(b). However, only the squares numbered from 1 to 9 are counted for the purposes of sections 273 and 273A because the numbers 11 and upwards are disregarded under subparagraph (b)(ii) of this subsection.

269 Formal votes above the line

- (1) A ballot paper in a Senate election is not informal under paragraph 268(1)(b) if:
 - (a) the voter has marked the ballot paper in accordance with subsection 239(2); or

- (b) the voter has marked the number 1, or the number 1 and one or more higher numbers, in squares printed on the ballot paper above the line.

(1A) For the purposes of this Act:

- (a) a voter who, in a square printed on the ballot paper above the line, marks only a single tick or cross is taken as having written the number 1 in the square; and
- (b) the following numbers written in a square printed on the ballot paper above the line are to be disregarded:
 - (i) numbers that are repeated and any higher numbers;
 - (ii) if a number is missed—any numbers that are higher than the missing number.

Note: Paragraph (1A)(b) applies both for the purposes of determining whether a ballot paper is formal, and for the purposes of determining which numbers marked on a ballot paper are counted in the election.

Example: A ballot paper has squares above the line that are numbered 1, 1, 2 and 3. The vote is informal because, by disregarding the numbers 1 and upwards under subparagraph (1A)(b)(i), no squares have been numbered.

A second ballot paper has squares above the line that are numbered consecutively from 1 to 9 and then 11, 12, 13 and 14. The vote is formal under paragraph (1)(b). However, only the squares numbered from 1 to 9 are counted for the purposes of sections 273 and 273A because the numbers 11 and upwards are disregarded under subparagraph (b)(ii) of this subsection.

Votes that are formal both above and below the line

- (2) If a ballot paper in a Senate election:
 - (a) has squares marked above the line in accordance with subsection 239(2) or paragraph (1)(b) of this section; and
 - (b) has squares marked below the line in accordance with subsection 239(1) or section 268A;then, for the purposes of sections 272 and 273, the only squares that are taken to have been marked on the ballot paper are the squares that are marked below the line.

271 Officers not to mark ballot papers so that voter can be identified

Except as authorized by this Act or the regulations, an officer shall not place upon any ballot paper any mark or writing which would enable any person to identify the voter by whom it is used.

Penalty: 10 penalty units.

272 Treatment of Senate ballot papers of voters who have voted above the line

- (1) This section applies if:
 - (a) a ballot paper for a Senate election is marked in accordance with subsection 239(2) or paragraph 269(1)(b); and
 - (b) one or more numbers, that are not disregarded under paragraph 269(1A)(b), are written in squares printed on the ballot paper above the line in relation to groups of candidates (each group being a *preferred group*).
- (2) The ballot paper is taken to have been marked as if, instead of the numbers referred to in paragraph (1)(b):
 - (a) each candidate in a preferred group was given a different number starting from 1; and
 - (b) candidates in a preferred group were numbered consecutively starting with the candidate whose name on the ballot paper is at the top of the group to the candidate whose name is at the bottom; and
 - (c) the order in which candidates in different preferred groups are numbered is worked out by reference to the order in which the groups were numbered on the ballot paper, starting with the group marked 1; and
 - (d) when all the candidates in a preferred group have been numbered, the candidate whose name is at the top of the next preferred group is given the next consecutive number.

273 Scrutiny of votes in Senate elections

- (1) Subject to section 273B, in a Senate election for a particular State or Territory, the scrutiny must be conducted, and the vacancies filled under this section or under section 273A.
- (2) An Assistant Returning Officer must take the following steps in the presence of a polling official, and of any authorised scrutineers who attend:
 - (a) exhibit each securely fastened ballot-box for the inspection of the scrutineers;
 - (b) record the condition of the ballot-box;
 - (c) open the ballot-box and:
 - (i) remove the ballot papers from the box; and
 - (ii) count the ballot papers without inspecting them; and
 - (iii) record the number of ballot papers removed from the box;
 - (ca) count the number of first preference votes marked in each of the squares above the line;
 - (d) make, sign and keep a copy of a statement (which may be countersigned by a polling official, and by any scrutineers who are present if they so desire) setting out the number of first preference votes marked in each of the squares above the line and the number of ballot papers;
 - (da) transmit the number of first preference votes marked in each of the squares above the line to the Divisional Returning Officer as soon as practicable;
 - (e) seal up the ballot papers in a securely fastened container and endorse on each container a description of the contents of the container, and permit any scrutineers present, if they so desire, to countersign the endorsement;
 - (f) transmit the container to the Divisional Returning Officer for the relevant Division as soon as practicable, together with the statement under paragraph (d).
- (3) The Divisional Returning Officer for a Division must:

- (a) in relation to containers of ballot papers for the Division received under paragraph (2)(f), do the following:
 - (i) open the containers of ballot papers;
 - (ii) check the accuracy of the statement made under paragraph (2)(d) by carrying out the steps in paragraphs (2)(c) and (ca);
 - (iii) repeat the steps in paragraphs (2)(d) to (e) (as if the reference in paragraph (2)(da) to the Divisional Returning Officer were a reference to the Australian Electoral Officer for the State that includes the Division); and
 - (b) in relation to ballot-boxes for the Division received under this Act by the Divisional Returning Officer—repeat the steps in paragraphs (2)(c) to (e) (as if the reference in paragraph (2)(da) to the Divisional Returning Officer were a reference to the Australian Electoral Officer for the State that includes the Division); and
 - (c) keep a copy of:
 - (i) the statement made under paragraph (2)(d) by the Assistant Returning Officer; and
 - (ii) the statements made by the Divisional Returning Officer under that paragraph (as a result of subparagraph (a)(iii) and paragraph (b) of this subsection); and
 - (d) transmit the containers sealed under paragraph (2)(e) (as a result of subparagraph (a)(iii) and paragraph (b) of this subsection) to the Australian Electoral Officer for the State that includes the Division as soon as practicable, together with the statements made by the Divisional Returning Officer.
- (4) An Australian Electoral Officer must:
- (a) scrutinise all ballot papers received by him or her under paragraph (3)(d); and
 - (b) reject any informal ballot papers; and
 - (c) make, sign and keep a record of the preferences on the ballot papers that have been received by him or her (including

Section 15T27315T

informal ballot papers, and formal ballot papers that are not sequentially numbered).

- (7) Where, for the purposes of the succeeding provisions of this section:
- (a) the number of ballot papers or votes in any category is required to be ascertained;
 - (b) a quota, a transfer value or the order of standing of continuing candidates in a poll is required to be determined;
 - or
 - (c) a candidate is required to be identified;
- the Australian Electoral Officer for the State shall ascertain the number, determine the quota, transfer value or order, or identify the candidate, as the case may be.
- (8) The number of first preference votes given for each candidate and the total number of all such votes shall be ascertained and a quota shall be determined by dividing the total number of first preference votes by 1 more than the number of candidates required to be elected and by increasing the quotient so obtained (disregarding any remainder) by 1, and any candidate who has received a number of first preference votes equal to or greater than the quota shall be elected.
- (9) Unless all the vacancies have been filled, the number (if any) of votes in excess of the quota (in this section referred to as *surplus votes*) of each elected candidate shall be transferred to the continuing candidates as follows:
- (a) the number of surplus votes of the elected candidate shall be divided by the number of first preference votes received by the candidate and the resulting fraction shall be the transfer value;
 - (b) the total number of ballot papers of the elected candidate that express the first preference vote for that candidate and the next available preference for a particular continuing candidate shall be multiplied by the transfer value, the number so obtained (disregarding any fraction) shall be added to the number of first preference votes of the

Section 15T 27315T

- continuing candidate and all those ballot papers shall be transferred to the continuing candidate;
and any continuing candidate who has received a number of votes equal to or greater than the quota on the completion of any such transfer shall be elected.
- (10) Unless all the vacancies have been filled, the surplus votes (if any) of any candidate elected under subsection (9), or elected subsequently under this subsection, shall be transferred to the continuing candidates in accordance with paragraphs (9)(a) and (b), and any continuing candidate who has received a number of votes equal to or greater than the quota on the completion of any such transfer shall be elected.
- (11) Where a continuing candidate has received a number of votes equal to or greater than the quota on the completion of a transfer under subsection (9) or (10) of the surplus votes of a particular elected candidate, no votes of any other candidate shall be transferred to the continuing candidate.
- (12) For the purposes of the application of paragraphs (9)(a) and (b) in relation to a transfer under subsection (10) or (14) of the surplus votes of an elected candidate, each ballot paper of the elected candidate that was obtained by the candidate on a transfer under this section shall be dealt with as if any vote it expressed for the elected candidate were a first preference vote, as if the name of any other candidate previously elected or excluded had not been on the ballot paper and as if the numbers indicating subsequent preferences had been altered accordingly.
- (13) Where, after the counting of first preference votes or the transfer of surplus votes (if any) of elected candidates, no candidate has, or fewer than the number of candidates required to be elected have, received a number of votes equal to the quota:
- (a) the candidate who stands lowest in the poll must be excluded;
or
 - (b) if a bulk exclusion of candidates may be effected under subsection (13A), those candidates must be excluded;

Section 15T27315T

and the ballot papers of the excluded candidate or candidates must be distributed in accordance with subsection (13AA).

- (13AA) Where a candidate is, or candidates are, excluded in accordance with this section, the ballot papers of the excluded candidate or candidates must be transferred as follows:
- (a) the total number of ballot papers:
 - (i) expressing a first preference for an excluded candidate; or
 - (ii) received by an excluded candidate on distribution from another excluded candidate at a transfer value of 1 vote; being ballot papers expressing the next available preference for a particular continuing candidate must be transferred at a transfer value of 1 vote to the continuing candidate and added to the number of votes of the continuing candidate;
 - (b) the total number (if any) of other ballot papers obtained by an excluded candidate or the excluded candidates, as the case may be, must be transferred beginning with the ballot papers received by that candidate or those candidates at the highest transfer value and ending with the ballot papers received at the lowest transfer value, as follows:
 - (i) the total number of ballot papers received by the excluded candidate or candidates, as the case may be, at a particular transfer value and expressing the next available preference for a particular continuing candidate must be multiplied by that transfer value;
 - (ii) the number so obtained (disregarding any fraction) must be added to the number of votes of the continuing candidate;
 - (iii) all those ballot papers must be transferred to the continuing candidate.
- (13A) The procedure for a bulk exclusion, and the circumstances in which such an exclusion may be made, are as follows:
- (a) a continuing candidate (in this subsection called *Candidate A*) shall be identified, if possible, who, of the continuing candidates who each have a number of notional votes equal

Section 15T27315T

- to or greater than the vacancy shortfall, stands lower or lowest in the poll;
- (b) a continuing candidate (in this subsection called *Candidate B*) shall be identified, if possible, who:
- (i) stands lower in the poll than Candidate A, or if Candidate A cannot be identified, has a number of notional votes that is fewer than the vacancy shortfall;
 - (ii) has a number of notional votes that is fewer than the number of votes of the candidate standing immediately higher than him or her in the poll; and
 - (iii) if 2 or more candidates satisfy subparagraphs (i) and (ii)—is the candidate who of those candidates stands higher or highest in the poll;
- (c) in a case where Candidate B has been identified and has a number of notional votes fewer than the leading shortfall—Candidate B and any other continuing candidates who stand lower in the poll than that candidate may be excluded in a bulk exclusion; and
- (d) in a case where Candidate B has been identified and has a number of notional votes equal to or greater than the leading shortfall:
- (i) a continuing candidate (in this subsection called *Candidate C*) shall be identified who:
 - (A) has a number of notional votes that is fewer than the leading shortfall; and
 - (B) if 2 or more candidates satisfy sub-subparagraph (A)—is the candidate who of those candidates stands higher or highest in the poll; and
 - (ii) Candidate C and all other continuing candidates who stand lower in the poll than that candidate may be excluded in a bulk exclusion.

(13B) Where, apart from this subsection, the number of continuing candidates after a bulk exclusion under subsection (13A) would be fewer than the number of remaining unfilled vacancies, subsection (13A) shall operate to exclude only the number of

Section 15T27315T

candidates, beginning with the candidate who stands lowest in the poll, that would leave sufficient continuing candidates to fill the remaining unfilled vacancies.

- (13C) Notwithstanding any other provision of this section (other than subsection (18)), where a candidate or candidates has or have been elected and there are surplus votes as a result of that election, paragraphs (13A)(a), (b), (c) and (d) may be applied as if references in those paragraphs to notional votes were references to adjusted notional votes.
- (14) Any continuing candidate who has received a number of votes equal to or greater than the quota on the completion of a transfer under subsection (13) or (15) of ballot papers of an excluded candidate or candidates, as the case may be, shall be elected, and, unless all the vacancies have been filled, the surplus votes (if any) of the candidate so elected shall be transferred in accordance with paragraphs (9)(a) and (b), except that, where the candidate so elected is elected before all the ballot papers of the excluded candidate or candidates, as the case may be, have been transferred, the surplus votes (if any) of the candidate so elected shall not be transferred until the remaining ballot papers of the excluded candidate or candidates, as the case may be, have been transferred in accordance with paragraphs (13AA)(a) and (b) to continuing candidates.
- (15) Subject to subsection (17) where, after the transfer of all of the ballot papers of an excluded candidate or the excluded candidates, as the case may be, no continuing candidate has received a number of votes greater than the quota:
- (a) the continuing candidate who stands lowest in the poll must be excluded; or
 - (b) if a bulk exclusion of candidates may be effected under subsection (13A), those candidates must be excluded; and the ballot papers of the excluded candidate or candidates must be transferred in accordance with subsection (13AA).
- (16) Where a candidate is elected during a transfer of ballot papers under subsection (13) or (15), no other ballot papers of an excluded

Section 15T27315T

candidate or candidates, as the case may be, shall be transferred to the candidate so elected.

- (17) In respect of the last vacancy for which two continuing candidates remain, the continuing candidate who has the larger number of votes shall be elected notwithstanding that that number is below the quota, and if those candidates have an equal number of votes the Australian Electoral Officer for the State shall have a casting vote but shall not otherwise vote at the election.
- (18) Notwithstanding any other provision of this section, where the number of continuing candidates is equal to the number of remaining unfilled vacancies, those candidates shall be elected.
- (19) At the conclusion of the scrutiny, the Australian Electoral Officer must place in containers all ballot papers transmitted to the officer under paragraph (3)(d), seal the containers and endorse a description of the contents on each container.
- (20) For the purposes of this Act and the *Representation Act 1983*:
- (a) the order of election of candidates in a Senate election shall be taken to be in accordance with the order of the count as a result of which they were elected, the candidates (if any) elected on the count of first preference votes being taken to be the earliest elected; and
 - (b) where 2 or more candidates are elected as a result of the same count, the order in which they shall be taken to have been elected shall be in accordance with the relative numbers of their votes, the candidate with the largest number of votes being taken to be the earliest elected, but if any 2 or more of those candidates each have the same number of votes, the order in which they shall be taken to have been elected shall be taken to be in accordance with the relative numbers of their votes at the last count before their election at which each of them had a different number of votes, the candidate with the largest number of votes at that count being taken to be the earliest elected, and if there has been no such count the Australian Electoral Officer for the State shall determine the order in which they shall be taken to have been elected.

Section 15T27315T

- (21) Subject to subsections (22) and (23), where, after any count under this section, 2 or more candidates have surplus votes, the order of any transfers of the surplus votes of those candidates shall be in accordance with the relative sizes of the surpluses, the largest surplus being transferred first.
- (22) Subject to subsection (23), where, after any count under this section, 2 or more candidates have equal surpluses, the order of any transfers of the surplus votes of those candidates shall be in accordance with the relative numbers of votes of those candidates at the last count at which each of those candidates had a different number of votes, the surplus of the candidate with the largest number of votes at that count being transferred first, but if there has been no such count the Australian Electoral Officer for the State shall determine the order in which the surpluses shall be dealt with.
- (23) Where, after any count under this section, a candidate obtains surplus votes, those surplus votes shall not be transferred before the transfer of any surplus votes obtained by any other candidate on an earlier count.
- (25) Where a candidate is elected by reason that the number of first preference votes received by the candidate, or the aggregate of first preference votes received by the candidate and all other votes obtained by the candidate on transfers under this section, is equal to the quota, all the ballot papers expressing those votes shall be set aside as finally dealt with.
- (26) A ballot paper shall be set aside as exhausted where on a transfer it is found that the paper expresses no preference for any continuing candidate.
- (27) In any case to which subsection 239(4) applies, a vote indicated on a ballot paper opposite the name of a deceased candidate shall be counted to the candidate next in the order of the voter's preference, and the numbers indicating subsequent preferences shall be deemed to be altered accordingly.
- (28) For the purposes of this section:

Section 15T27315T

- (a) a transfer under subsection (9), (10) or (14) of all the surplus votes of an elected candidate;
 - (b) a transfer under paragraph (13AA)(a) of all ballot papers of an excluded candidate or excluded candidates, received by that candidate, or one of those candidates:
 - (i) as the first preference vote; or
 - (ii) on distribution from another excluded candidate at a transfer value of 1 vote; or
 - (c) a transfer under paragraph (13AA)(b) of all ballot papers received by the excluded candidate or candidates, as the case may be, at a particular transfer value;
- each constitutes a separate transfer.

(29) In this section:

adjusted notional vote, in relation to a continuing candidate, means, in a case where a candidate or candidates has or have been elected, the sum of:

- (a) the number of notional votes of the continuing candidate; and
- (b) the number, before the transfer of any of the surplus votes, of those surplus votes.

continuing candidate means a candidate not already elected or excluded from the count.

leading shortfall, in relation to a particular stage during the scrutiny in a Senate election, means the shortfall of the continuing candidate standing highest in the poll at that stage.

notional vote, in relation to a continuing candidate, means the aggregate of the votes obtained by that candidate and the votes obtained by each other candidate who stands lower in the poll than him or her.

shortfall, in relation to a continuing candidate at a particular stage during the scrutiny in a Senate election, means the number of votes that the candidate requires at that stage in order to reach the quota referred to in subsection (8).

State includes Territory.

vacancy shortfall, in relation to a particular stage during the scrutiny in a Senate election, means the aggregate of the shortfalls of that number of leading candidates equal to the number of remaining unfilled vacancies, the leading candidates being ascertained by taking the continuing candidate who stands highest in the poll, the continuing candidate who stands next highest in the poll, and so on in the order in which the continuing candidates stand in the poll.

- (30) In this section, a reference to votes, or ballot papers, as the case may be, of or obtained or received by a candidate includes votes, or ballot papers, as the case may be, obtained or received by the candidate on any transfer under this section.
- (31) For the purposes of this section, at any time after the counting of first preference votes the order of standing of the continuing candidates in the poll shall be determined as follows:
- (a) subject to paragraph (b), the continuing candidates shall stand in the poll in the order of the relative number of votes of each continuing candidate, with the continuing candidate with the greatest number of votes standing highest in the poll and the continuing candidate with the fewest number of votes standing lowest in the poll;
 - (b) if 2 or more continuing candidates have the same number of votes, those candidates shall stand in the poll in the order of the relative number of votes of each of those candidates at the last count at which each of them had a different number of votes, with the continuing candidate with the greater or greatest number of votes at that count standing higher in the poll and the continuing candidate with the fewer or fewest number of votes at that count standing lower in the poll, but if there has been no such count the Australian Electoral Officer for the State shall determine the order of standing of those candidates in the poll.
- (32) When the last vacancy is filled, the scrutiny shall immediately cease and any exclusion in progress shall not be completed.
-

273A Computerised scrutiny of votes in Senate election

Determination that computerised scrutiny applies

- (1) The scrutiny of votes in a Senate election for a particular State or Territory may be conducted by complying with the requirements set out in this section.

Processing of ballot papers received by Australian Electoral Officer

- (4) The Australian Electoral Officer must scrutinise all the ballot papers received by him or her under paragraph 273(3)(d), and must reject the informal ones.

Determining election result

- (5) The Australian Electoral Officer must then ascertain the successful candidates, and their order of election, by using a computer to apply the principles set out in subsections 273(8) to (32) (inclusive). A tie at any step in the process is to be resolved in the same way as a tie in the corresponding step is resolved under section 273.

Rights of scrutineers

- (6) For proceedings under section 273 and subsections (4) and (5) of this section, the requirements of paragraph 265(1)(c) are met if the scrutineers have access to:
 - (a) a record of the preferences on the ballot papers that have been received by the Australian Electoral Officer and whose details have been stored in the computer (including informal ballot papers, and formal ballot papers that are not sequentially numbered); and
 - (b) a record of the ballot papers that are notionally transferred, or exhausted, at each count; and
 - (c) a record of the progress of the count of the votes, at each count.

Statements setting out numbers of ballot papers

- (6A) After complying with subsections (4) and (5), the Australian Electoral Officer must make, sign and keep a copy of a statement (which may be countersigned by any scrutineers who are present if they so desire) setting out the number of ballot papers scrutinised by the officer under those subsections.

Modified rules for re-count

- (7) If ballot papers that are to be re-counted under section 278 are in the possession of the Australian Electoral Officer immediately before the re-count begins, the Australian Electoral Officer must deal with those ballot papers as follows:
- (a) open the containers (for those ballot papers that are in containers) in the presence of a person appointed or engaged under the *Public Service Act 1999* and of any scrutineer who attends;
 - (b) scrutinise all the ballot papers, and make a decision on each one either to admit it or reject it;
 - (c) after scrutinising all the ballot papers, restore the ones that were in containers to their original containers, and place the remaining ballot papers in one or more containers;
 - (d) seal up all the containers and write on each container:
 - (i) the number of ballot papers in the container; and
 - (ii) a statement that all the ballot papers have been the subject of decisions by the Australian Electoral Officer;
 - (e) sign each container and permit other persons who were present when the ballot papers were scrutinised to add their signatures.
- (8) If:
- (a) a re-calculation by computer occurs following a re-count; and
 - (b) during the re-calculation, the same tie that occurred on the previous calculation by computer occurs again;

Section 15T273B15T

for the purposes of the re-calculation that tie is to be resolved in favour of the candidate in whose favour it was resolved during the previous calculation.

- (9) If a re-count is required under section 282, the Australian Electoral Officer must conduct the re-count by using a computer to apply the principles set out in subsections 273(8) to (30) (inclusive), modified in the way set out in section 282.

273B Combination of manual and computer scrutiny permitted

A scrutiny of votes for a Senate election may be conducted partly under section 273 and partly under section 273A, as long as the requirements of at least one of those sections are met in respect of the scrutiny for that election.

274 Scrutiny of votes in House of Representatives elections

- (1) In a House of Representatives election the scrutiny shall, subject to section 266, be conducted in the manner set out in this section.
- (2) Each Assistant Returning Officer shall, in the presence of a polling official, and of such authorized scrutineers as may attend:
- (a) exhibit for the inspection of the scrutineers:
 - (i) each ballot-box received from a presiding officer or mobile polling team leader; and
 - (ii) each pre-poll ordinary ballot-box (within the meaning of Division 3 of Part XVA) received from a voting officer (within the meaning of that Division);
 - (aa) record the condition of the ballot-box when it was received;
 - (ab) check the accuracy of the statement of the presiding officer, mobile polling team leader or voting officer by:
 - (i) removing the ballot papers from the box;
 - (ii) counting, but not inspecting, them; and
 - (iii) recording the number of ballot papers removed from the box;

Section 15T27415T

- (b) reject all informal ballot papers, and arrange the unrejected ballot papers under the names of the respective candidates by placing in a separate parcel all those on which a first preference is indicated for the same candidate;
 - (c) count the first preference votes given for each candidate on all unrejected ballot papers;
 - (d) make out and sign a statement (which may be countersigned by a polling official, and, if they so desire, by such scrutineers as are present) setting out the number of first preference votes given for each candidate, and the number of informal ballot papers;
 - (e) place in a separate parcel all the ballot papers which have been rejected as informal;
 - (f) transmit the following information, in an expeditious manner, to the Divisional Returning Officer:
 - (i) the number of first preference votes given for each candidate; and
 - (ii) the total number of ballot papers rejected as informal;
 - (g) seal up the parcels and indorse on each parcel a description of the contents thereof, and permit any scrutineers present, if they so desire, to countersign the indorsement; and
 - (h) transmit the parcels to the Divisional Returning Officer with the least possible delay, together with the statement specified in paragraph (d).
- (2A) If, in a House of Representatives election, there are more than 2 candidates for a Division, the Australian Electoral Officer for the State or Territory that includes the Division must, in writing, direct each Assistant Returning Officer for the Division, and the Divisional Returning Officer for the Division, to conduct a count of preference votes (other than first preference votes) on the ballot papers that, in the opinion of the Australian Electoral Officer, will best provide an indication of the candidate most likely to be elected for the Division.
- (2B) An Assistant Returning Officer to whom a direction is given under subsection (2A) must:

Section 15T27415T

- (a) count the preference votes in accordance with the direction;
and
 - (b) transmit to the Divisional Returning Officer any information required by the direction;
- in the manner specified in the direction.
- (2C) A Divisional Returning Officer to whom a direction is given under subsection (2A) must count the preference votes in accordance with the direction:
- (a) at the time of the fresh scrutiny under subsection (7); and
 - (b) at the time at which the Divisional Returning Officer examines and counts ballot papers recording declaration votes other than ballot papers recording declaration votes that were examined and counted at the time of the fresh scrutiny.
- (3) The Divisional Returning Officer shall open all ballot-boxes not opened by an Assistant Returning Officer, and shall conduct the scrutiny of the ballot papers contained therein in the manner aforesaid as far as applicable.
- (4) The Divisional Returning Officer shall, in the manner prescribed by this Act or the Regulations, examine, count, and deal with all ballot papers used for casting declaration votes.
- (7) The Divisional Returning Officer:
- (a) shall open the sealed parcels of ballot papers received from the Assistant Returning Officers in or for the Division;
 - (b) shall make a fresh scrutiny of the ballot papers contained in the parcels, and, for the purpose of that scrutiny, shall have the same powers as if it were the original scrutiny, and may reverse any decision given by an Assistant Returning Officer in relation to the original scrutiny;
 - (c) from the result of the scrutiny of the votes counted under the provisions of subsections (3) and (4), and the fresh scrutiny conducted under the provisions of this subsection, shall ascertain the total number of first preference votes given for each candidate and the number of informal ballot papers; and

Section 15T27415T

- (ca) must then proceed with the scrutiny and the counting of the votes as follows:
 - (i) if, after ascertaining the first preference votes given for each candidate, no candidate has an absolute majority of votes, the Divisional Returning Officer must apply subsection (7AA);
 - (ii) if, after ascertaining the first preference votes given for each candidate, a candidate has an absolute majority of votes, that candidate is elected; and
 - (d) if, after applying subsection (7AA), subparagraph (7AA)(b)(i) applies, shall proceed with the scrutiny and the counting of the votes as follows:
 - (i) the candidate who has received the fewest first preference votes shall be excluded, and each ballot paper counted to the candidate shall be counted to the candidate next in the order of the voter's preference;
 - (ii) the process of excluding the candidate who has the fewest votes, and counting each of his or her ballot papers to the unexcluded candidate next in the order of the voter's preference, shall be repeated until only 2 candidates remain in the count; and
 - (iii) if, following the exclusion of candidates under this paragraph, a candidate has an absolute majority of votes, that candidate shall be elected.
- (7AA) If, after ascertaining the total number of first preference votes for each candidate under paragraph (7)(ca), no candidate has an absolute majority of votes, the Divisional Returning Officer must take the following steps:
- (a) rank the candidates consecutively in order of their standing in the poll as set out in subsection (7AB);
 - (b) then:
 - (i) if the total number of first preference votes for all the candidates, other than the first and second ranked candidates, is equal to or more than the number of first preference votes for the second ranked candidate—

Section 15T27415T

- proceed with the scrutiny as set out in paragraph (7)(d);
or
- (ii) if the total number of first preference votes for all the candidates, other than the first and second ranked candidates, is less than the number of first preference votes for the second ranked candidate—exclude all the candidates other than the first and second ranked candidates;
 - (c) if subparagraph (b)(ii) applies—count each ballot paper of an excluded candidate to whichever of the first or second ranked candidates is earlier in the order of preference expressed on the ballot paper.
- (7AB) The ranking of candidates under paragraph (7AA)(a) is to be done as follows:
- (a) the candidate with the highest number of first preference votes is to be the first ranked candidate, the candidate with the second-highest number of votes is to be the second ranked candidate, and so on;
 - (b) if 2 or more candidates have an equal number of first preference votes, the ranking as between those candidates is to be decided, by lot, by the Divisional Returning Officer.
- (7AC) If, following the exclusion of candidates under subparagraph (7AA)(b)(ii) and the count of ballot papers under paragraph (7AA)(c), a candidate has an absolute majority of votes, that candidate is elected.
- (7A) The fresh scrutiny referred to in paragraph (7)(b) shall, if the Australian Electoral Officer for the State or Territory that includes the relevant Division so directs in writing, include a scrutiny of such preferences (other than first preferences), on such of the ballot papers, as are required by the direction, and shall be conducted in the manner specified in the direction.
- (9) If, on any count other than the final count:
- (a) 2 or more candidates (*lowest ranking candidates*) have an equal number of votes; and

- (b) one of them has to be excluded;
the candidate to be excluded is the candidate with less votes than any of the other lowest ranking candidates at the last count at which one of those candidates had less votes than any of the others, but, if there has been no such count, the Divisional Returning Officer must decide by lot which of them is to be excluded.
- (9A) If, in the final count, 2 or more candidates have an equal number of votes, the Divisional Returning Officer shall make a fresh scrutiny of the votes scrutinised under subsection (7) and a fresh scrutiny of all declaration ballot papers rejected at the preliminary scrutiny.
- (9B) If, after the fresh scrutines referred to in subsection (9A), a candidate has received an absolute majority of votes, that candidate shall be elected.
- (9C) If, after the fresh scrutines referred to in subsection (9A), 2 or more candidates have an equal number of votes, the Divisional Returning Officer shall give to the Electoral Commissioner written notice that the election cannot be decided.
- (10) In this section an absolute majority of votes means a greater number than one-half of the whole number of ballot papers other than informal ballot papers.
- (12) The Divisional Returning Officer shall:
- (a) place in a separate parcel all the ballot papers which have been rejected as informal;
 - (b) place in a separate parcel all the unrejected ballot papers; and
 - (c) seal up the parcels and indorse on each parcel a description of the contents thereof, and permit any scrutineers present, if they so desire, to countersign the indorsement.

275 Scrutiny prior to receipt of declaration ballot papers

Where the Australian Electoral Officer, in the case of a Senate election, or the Divisional Returning Officer, in the case of a House of Representatives election, is satisfied that the votes:

Section 15T27615T

- (a) on any ballot papers issued at some remote polling place in connexion with the election which have not been received by the Divisional Returning Officer; or
- (b) on ballot papers used for casting declaration votes and not dealt with under section 266;

cannot, having regard to the number of those ballot papers, possibly affect the result of the election, the Australian Electoral Officer, in the case of a Senate election, or the Divisional Returning Officer, in the case of a House of Representatives election, may, subject to the concurrence of the Electoral Commissioner, proceed with the scrutiny without awaiting the receipt of the ballot papers, or completing the action, as the case may be.

276 Provisional scrutiny

- (1) Where a Divisional Returning Officer in a House of Representatives election has counted all votes on ballot papers (other than ballot papers referred to in paragraph 275(b)) and section 275 does not apply, he or she may, if directed to do so by the Australian Electoral Officer, proceed, in a manner specified in the directions, with a scrutiny of second and later preferences shown on the ballot papers.
- (2) If the Divisional Returning Officer in a House of Representatives election did not proceed with a scrutiny under paragraph 274(7)(d) because subparagraph 274(7AA)(b)(ii) applied, the Divisional Returning Officer must, when directed by the Australian Electoral Officer, proceed with the scrutiny and the counting of the votes as set out in subparagraphs 274(7)(d)(i) and (ii).

277 Scrutiny for information

After a candidate is elected in accordance with subsection 274(7) in a House of Representatives election, the Electoral Commission may, for the purpose of obtaining information, give the Divisional Returning Officer who conducted the scrutiny directions for the examination of the second and later preferences of candidates and

for the distribution of those preferences in a manner specified in the directions, and the Divisional Returning Officer shall comply with those directions.

278 Re-count at Senate elections

- (1) At any time before the declaration of the result of a Senate election the Australian Electoral Officer may, on the written request of any candidate setting forth the reasons for the request, or of the officer's own motion, direct or conduct a re-count of the ballot papers contained in any parcel or in any other category determined by the Australian Electoral Officer.
- (2) If the Australian Electoral Officer refuses a request of a candidate under subsection (1), the candidate may, in writing, appeal to the Electoral Commissioner to direct a re-count of the ballot papers to which the request relates, and the Electoral Commissioner has a discretion either to direct a re-count of the ballot papers or refuse to direct a re-count.

- (3) After the votes in a parcel have been counted, the DRO shall replace the ballot papers in their original cover, reseal and refasten the cover, place the resealed parcel in a new cover, and seal and fasten the new cover.
- (4) The DRO shall write on the new cover a statement of the fact and date of the re-count of the votes in the cover and, along with such of the persons present who choose to add their signatures, shall sign the statement.
- (5) The DRO shall place any ballot papers reserved for the decision of the Australian Electoral Officer in a sealed and fastened parcel bearing the signatures of the DRO and the scrutineers who choose to add their signatures and a note of the number of ballot papers in the parcel, the name of the Division and the date.
- (6) The DRO shall place the parcel in a sealed and fastened outer cover addressed to the Australian Electoral Officer and, without delay, send the parcel to the Australian Electoral Officer by hand, registered post or courier service.
- (7) The Australian Electoral Officer shall open the parcel in the presence of a person appointed or engaged under the *Public Service Act 1999* and of any scrutineer who attends and shall:

 - (b) a statement that all ballot papers have been the subject of decisions by him or her.
- (9) The Australian Electoral Officer shall sign the cover, along with such other persons present when the ballot papers were scrutinised as choose to add their signatures.

- (11) The Australian Electoral Officer shall inform the DRO in writing of the numbers of ballot papers admitted or rejected by him or her, and the DRO shall complete the re-count on the basis of the Australian Electoral Officer's decision.
- (12) The receipt of a parcel of ballot papers by the DRO or the Australian Electoral Officer shall be acknowledged in writing.

- (a) in subsection 273(8) “half” were inserted before “the number of candidates”; and
 - (b) the only names of candidates appearing on the ballot papers were the names of the candidates elected at the election and the numbers indicating preferences had been altered accordingly.
- (2) Sections 280 and 281 do not apply in relation to a re-count under subsection (1).
- (3) The result obtained in a re-count under subsection (1) in relation to a Senate election shall not affect the result of that election.

- (2A) As soon as practicable after all votes cast in a House of Representatives election have been dealt with, the Divisional Returning Officer shall send to the Electoral Commissioner a written statement setting out the number of votes received by each candidate in the election.

Part XX—Election funding and financial disclosure

Division 1—Preliminary

286A Simplified outline of this Part

This Part deals with the funding of registered political parties, candidates and groups. It also deals with gifts and other financial matters relating to parties, candidates, groups, political campaigners, third parties and associated entities.

Registered political parties, candidates and groups must have agents. Political campaigners and associated entities must nominate financial controllers. Many of the obligations in this Part are imposed on those agents and financial controllers.

Registered political parties, candidates and groups may be entitled to election funding. The election funding is payable in relation to any candidate who received more than 4% of the total first preference votes cast in the election.

Generally, gifts of at least \$1,000 to political entities (who are registered political parties, candidates and Senate groups) and political campaigners must not be made by foreign donors (that is, persons who, broadly, do not have a connection to Australia).

Broadly, gifts to political entities, political campaigners or third parties must not be made by foreign donors for the purpose of incurring electoral expenditure or creating or communicating electoral matter.

There are obligations to disclose certain gifts made to:

- (a) candidates and members of groups; and
- (b) registered political parties, State branches and political campaigners.

Section 15T28715T

Certain expenditure incurred by or with the authority of candidates and groups during an election period must also be disclosed.

Division 3A—Requirements relating to donations

Subdivision A—Interpretation

302A Simplified outline of this Division

This Division regulates gifts that are made to registered political parties, candidates, groups, political campaigners and third parties.

Gifts of over \$1,000 to political entities (broadly, registered political parties, candidates and Senate groups) or political campaigners must not be made by foreign donors. A foreign donor is a person who does not have a connection to Australia, such as a person who is not an Australian citizen or an entity that does not have a significant business presence in Australia.

Broadly, gifts must not be made to a political entity, political campaigner or third party by a foreign donor for the purpose of incurring electoral expenditure or creating or communicating electoral matter.

Anti-avoidance provisions apply to strengthen these requirements.

A person or entity may commit an offence or be liable for a civil penalty if the person or entity contravenes the requirements. There are some exceptions, such as when a gift is made in a personal capacity.

302B Definitions

In this Division:

acceptable action is taken in relation to a gift if any of the following action is taken:

appropriate donor information has the meaning given by section 302P.

302C Object of this Division

(1) The object of the Division is to secure and promote the actual and perceived integrity of the Australian electoral process by reducing the risk of foreign persons and entities exerting (or being perceived to exert) undue or improper influence in the outcomes of elections.

(2) This Division aims to achieve this object by restricting the receipt and use of political donations made by foreign persons or entities that do not have a legitimate connection to Australia.

302CA Relationship with State and Territory laws

Despite any law of a State or Territory dealing with electoral matters (within the ordinary meaning of the expression), a person or entity may:

(a) give a gift to, or for the benefit of, a political entity, a political campaigner or a third party; or

(b) if the person or entity is a political entity, a political campaigner or a third party—receive, retain or use a gift; or

(c) receive, retain or use a gift on behalf of a political entity, a political campaigner or a third party;

Schedule 3—Rules for the conduct of a preliminary scrutiny of declaration votes

Subsection 266(3)

1. The DRO shall produce unopened all envelopes containing declaration votes of the kind to which the preliminary scrutiny relates received by the DRO:
 - (a) in the case of the first preliminary scrutiny—before the commencement of that scrutiny; and
 - (b) in the case of a subsequent preliminary scrutiny—after the commencement of the last preceding preliminary scrutiny and before the commencement of the subsequent preliminary scrutiny.
2. All written applications for postal votes not already dealt with at a preliminary scrutiny shall be produced at each preliminary scrutiny of postal votes.
3. If the DRO has reason to doubt that the signature on the postal vote certificate that purports to be the elector's signature is the elector's signature, the DRO must check the signature against the most recent record (if any) of the elector's signature that is available to the DRO.
- 3A. For each envelope in relation to which the following paragraphs are satisfied:
 - (a) the envelope purports to contain a provisional vote ballot paper;
 - (b) the DRO has reason to doubt that the signature on the envelope that purports to be the elector's signature is the elector's signature;the DRO must check the signature against the most recent record (if any) of the elector's signature that is available to the DRO. If, after so checking the signature, the DRO is not satisfied that the signature on the envelope is the signature of the elector, the DRO must make all reasonable attempts to contact the elector within 3

days after the election, to require the elector to provide evidence of his or her identity by the first Friday following the polling day for that election.

4. The DRO shall divide the envelopes being dealt with into groups, as follows:
 - (a) in one group, the envelopes that meet the requirements of paragraph 6;
 - (b) in another group, the envelopes that do not meet those requirements.
5. The DRO shall, without opening the envelopes, subject to the operation of paragraphs 23 and 24, exclude from further scrutiny the ballot papers contained in envelopes that do not meet the requirements of paragraph 6.
6. An envelope meets the requirements of this paragraph if the DRO is satisfied:
 - (a) in the case of an envelope purporting to contain a postal ballot paper, other than an envelope sent under section 186 to a registered general postal voter who was registered on the ground specified in paragraph 184A(2)(e) or (f), that the signature on the certificate is that of the elector and that:
 - (i) the signature purports to be witnessed by an authorised witness; or
 - (ii) the signature is taken to be witnessed by an authorised witness because of subsection 194(1A); and
 - (b) in the case of an envelope purporting to contain a pre-poll vote ballot paper, that the certificate has been signed in accordance with section 200E and that the signature purports to be witnessed by the officer who issued the certificate; and
 - (c) in the case of an envelope purporting to contain an absent vote ballot paper or a provisional vote ballot paper, that the certificate has been signed in accordance with section 222 or 235 or subsection 234(4), as the case requires, and that the signature purports to be witnessed in accordance with that section or subsection, as the case may be; and
 - (ca) in the case of an envelope purporting to contain a provisional vote ballot paper and in relation to which paragraph 3A

- applies—that the signature on the envelope is that of the elector; and
- (cb) in the case of an envelope purporting to contain a postal ballot paper, a pre-poll vote ballot paper, an absent vote ballot paper or a provisional vote ballot paper, cast by an elector who is provisionally enrolled—that, by the first Friday following the polling day for that election, the elector has provided an officer with evidence that the elector has become an Australian citizen under the *Australian Citizenship Act 2007*; and
 - (d) in the case of an envelope purporting to contain a ballot paper recording a vote cast at a station in Antarctica, the envelope is signed in accordance with subsection 260(1); and
 - (e) in the case of an envelope purporting to contain a postal ballot paper, that the vote marked on the ballot paper was recorded prior to the close of the poll.
- 6A. If the DRO is satisfied that more than one envelope that meets the requirements of paragraph 6 purports to contain a declaration vote by the same elector, the DRO must:
- (a) treat only one of the envelopes, as selected by the DRO, as meeting the requirements of paragraph 6; and
 - (b) exclude from further scrutiny the ballot papers contained in the other envelope or envelopes, without opening the envelope or envelopes; and
 - (c) seal up in a parcel the envelope or envelopes excluded from further scrutiny by subparagraph (b); and
 - (d) write on the parcel a description of its contents, the name of the Division and the date of the commencement of the preliminary scrutiny.
- In applying subparagraph (a), the DRO should, to the extent that it is possible, select the envelope that was received first.
- 6B. Paragraphs 23 and 24 do not apply to envelopes excluded from further scrutiny because of subparagraph 6A(b).
7. A vote marked on a postal ballot paper must be taken not to have been recorded prior to the close of the poll if the date referred to in paragraph 194(1)(c) in relation to the postal vote certificate is a date after polling day.
-

- 7A. A vote marked on a postal ballot paper must be taken not to have been recorded prior to the close of the poll if:
- (a) subsection 194(1A) applies in relation to the vote; and
 - (b) the date referred to in paragraph 194(1A)(a) is a date after polling day.
- 7B. Paragraphs 7 and 7A do not apply to a vote marked on a postal ballot paper if:
- (a) the envelope purporting to contain the postal ballot paper is endorsed with the date and time of receipt under paragraph 195A(2)(c); and
 - (b) the date and time is before the close of the poll.
8. An envelope purporting to contain an absent vote ballot paper or a provisional vote ballot paper or a pre-poll vote ballot paper shall not be regarded as failing to meet the requirements of paragraph 6 only because the declaration or certificate, as the case requires, is not witnessed if the voter's name appears on a record made under subsection 232(2) or section 200G, as the case requires, or, if neither of those requirements is met, if the DRO is satisfied that the ballot paper was properly issued.
9. The DRO shall seal up in a parcel the envelopes that do not meet the requirements of paragraph 6 and shall write on the parcel a description of its contents, the name of the Division and the date of commencement of the preliminary scrutiny.
10. If the preliminary scrutiny relates to a Senate election held concurrently with a House of Representatives election or a Senate election held alone, the DRO must divide the envelopes that meet the requirements of paragraph 6 into groups as follows:
- (a) in one group:
 - (i) the envelopes bearing certificates or declarations by persons who are enrolled for the Division or whose claims for enrolment are claims to which subsection 102(5) of the Act applies; and
 - (ii) the envelopes to which paragraph 12 applies and that bear certificates or declarations by persons who, at the time of the omission referred to in that paragraph, were living at an address in the Division;

- (b) in another group:
 - (i) the envelopes bearing certificates or declarations by persons who are not enrolled for the Division but are enrolled for the State or Territory in which the Division is situated; and
 - (ii) the envelopes to which paragraph 12 applies and that bear certificates or declarations by persons who, at the time of the omission referred to in that paragraph, were not living at an address in the Division but were living at an address in the State or Territory in which the Division is situated;
 - (c) in another group, all the other envelopes.
11. If the preliminary scrutiny relates to a House of Representatives election not held concurrently with a Senate election, the DRO must divide the envelopes that meet the requirements of paragraph 6 into groups as follows:
- (a) in one group:
 - (i) the envelopes bearing certificates or declarations by persons who are enrolled for the Division or whose claims for enrolment are claims to which subsection 102(5) of the Act applies; and
 - (ii) the envelopes to which paragraph 12 applies and that bear certificates or declarations by persons who, at the time of the omission referred to in that paragraph, were living at an address in the Division;
 - (b) in another group, all the other envelopes.
12. This paragraph applies to an envelope if the DRO is satisfied:
- (a) that the elector who signed a certificate or declaration on the envelope is not enrolled for the Division; and
 - (b) after making enquiry:
 - (i) that the elector was, at the time of voting, entitled to be enrolled for the Division; and
 - (ii) that the omission of the elector's name from the Roll for the Division was due to an error made by an officer or to a mistake of fact.
13. Subparagraph 12(b) does not apply if:

- (a) more than one election (excluding the election to which the scrutiny relates) has been held since the error or mistake was made; or
 - (b) where there has been a redistribution of the State or Territory that includes the Division since the last election but one before the election to which the scrutiny relates, the error or mistake was made before the last such redistribution.
14. In paragraph 13, *election* means:
- (a) a general election for the House of Representatives;
 - (b) a Senate election not held concurrently with a general election for the House of Representatives; or
 - (c) a referendum not held concurrently with a general election.
15. The DRO shall, without opening the envelopes, subject to the operation of paragraphs 23 and 25, exclude from further scrutiny the ballot papers contained in envelopes referred to in subparagraphs 10(c) and 11(b).
16. The DRO shall seal up in a parcel the envelopes referred to in subparagraphs 10(c) and 11(b) and shall write on the parcel a description of the contents, the name of the Division and the date.
17. The DRO shall, after the close of the poll for the Division, without unfolding or inspecting them or allowing any other person to do so, withdraw the ballot papers from the envelopes referred to in paragraph 10 or 11 that still remain in the preliminary scrutiny.
18. Ballot papers withdrawn from envelopes referred to in subparagraph 10(a) or 11(a) shall be placed in a ballot-box by themselves for further scrutiny.
19. A ballot paper for a Senate election withdrawn from an envelope referred to in subparagraph 10(b) shall be placed in the ballot-box referred to in paragraph 18 for further scrutiny. A ballot paper for a House of Representatives election withdrawn from such an envelope shall be excluded from further scrutiny.
20. The DRO shall seal up in a parcel ballot papers excluded under paragraph 19 and shall write on the parcel a description of its contents, the name of the Division and the date.
-

21. Where a ballot paper has been finally excluded from further scrutiny, other than because of subparagraph 6A(b), the DRO shall send to the voter a written statement of the reason for the rejection.
22. For the purposes of paragraph 17, an envelope that contains a ballot paper for a referendum shall be dealt with as if it did not contain that ballot paper.
23. In the course of a preliminary scrutiny of declaration votes, the DRO, as soon as practicable after the ballot papers that are required, under that scrutiny, to be placed in a ballot-box under paragraph 18 or 19 are so placed, but not before the close of the poll for the Division, must:
 - (a) open the parcel of envelopes that contains the ballot papers that are, under paragraph 5 and subject to the operation of this paragraph and paragraph 24, excluded from scrutiny, and deal further with those declaration votes in accordance with paragraph 24; and
 - (b) open the parcel of envelopes that contains the ballot papers that are, under paragraph 15 and subject to the operation of this paragraph and paragraph 25, excluded from scrutiny, and deal further with those declaration votes in accordance with paragraph 25.
24. For the purpose of dealing further with declaration votes referred to in subparagraph 23(a), paragraphs 3 to 22, inclusive, reapply in relation to those votes as if:
 - (a) the words “subject to the operation of paragraphs 23 and 24,” were omitted from paragraph 5; and
 - (b) the words “subject to the operation of paragraphs 23 and 25,” were omitted from paragraph 15.
25. For the purpose of dealing further with declaration votes referred to in subparagraph 23(b), paragraphs 10 to 22, inclusive, reapply in relation to those votes as if the words “subject to the operation of paragraphs 23 and 25,” were omitted from paragraph 15.
