

Senate Select Committee on Adopting Artificial Intelligence (AI)

Adopting Artificial Intelligence (AI)

Attorney-General's Department

Hearing date: 16 August 2024

Hansard page: 57

David Pocock asked the following question:

Senator DAVID POCOCK: How many times has the department met with Meta or other big tech companies on changes to the Privacy Act since the government released its response?

Ms Fitch: Senator, we've had numerous conversations with a wide range of stakeholders. I could take that on notice to provide you the details.

Senator DAVID POCOCK: That would be great. Do they include small businesses and small business organisations?

Ms Fitch: Yes.

Senator DAVID POCOCK: If a complete list could be provided on notice, that would be great.

Ms Fitch: Senator, could I just clarify the question you're asking? Is it a complete list of stakeholders we've been discussing with since the government response was issued?

Senator DAVID POCOCK: Yes.

The response to the question is as follows:

See response provided to written question received on 20 August 2024 requesting details of stakeholders, including the date(s) for each meeting, the department has met with on Privacy Act reforms since the release of the Government's response to the Privacy Act Review.
