

Respected sir/madam,

My name is Narpinder singh. I came in Australia for bright future in 2006. I finish my studies according to Australian laws and launched my visa application on 26/02/2008. but i have not get response till now. bun now this visa caping bill can effect me as well. the other gays lounched their applications after me and get their residence visas. and i m still waiting. so please thing once again before pass this this bill. thanking you.
Narpinder singh
