

PUBLICLY FUNDED UNIVERSITIES: INDICATIVE INTERNATIONAL STUDENT PROFILES (ISPS)

- The figures presented in this table refer to new overseas student commencements (NOSCs).¹
- The ISP numbers are indicative only; universities have been asked to advise the department of any matters they wish to raise about the data underlying their indicative ISPs.
- Final numbers will be determined and published as soon as possible, subject to the passage of legislation.

Attachment: 2023 ONSHORE INTERNATIONAL PROPORTION OF ENROLMENTS

- The figures presented in this table reflect final, verified data from the Tertiary Collection of Student Information (TCSI) for 2023. This data will be published later in 2024.
- Onshore status has been derived from the citizen-resident status information recorded for each international student.
 - This method aligns with data directly reported by higher education institutions and the definition used in the Higher Education student data collection.
