IMPORTANT

The information contained in this file is not to be used for any purpose other than that stated in the original request. It is not to be published in any form or distributed or disseminated in any way without the express permission of Services Australia. Caveats contained in the metadata must be included with any approved dissemination or publication.

The data contained in the report has not been confidentialised. This data cannot be linked to any other data which may result in the identity of an individual being reasonably ascertained. Any public reference by Services Australia or the Minister to cell size data that is less than 20 increases the risk that an individual may be identified and have their privacy breached.
