

RESPONSE TO QUESTION ON NOTICE

Committee	Senate Standing Committee on Environment and Communications
Inquiry	Communications Legislation Amendment (Combatting Misinformation and Disinformation) Bill 2024
Date	Monday 4 November 2024
Topic	Risks of misinformation and disinformation in the finance sector

Questions

Chair of the Committee, Senator Karen Grogan

1. What are the risks of misinformation and disinformation to the Australian economy and finance sector?
2. Why is it important that the bill be passed? How would this bill help to address the harm of misinformation and disinformation and protect Australia's economy and finance sector?

Answer

ASX does not have a view on the policy issues covered by the Committee's questions.
