Mr Mark Fitt
Committee Secretary
Senate Standing Committee on Economics

Dear Mr Fitt,

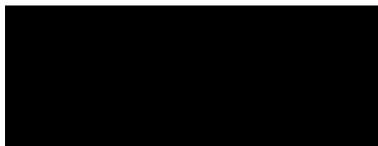

RE: TREASURY LAWS AMENDMENT (2018 MEASURES NO. 4) BILL 2018 REPORT

I am writing to you to formally request a correction to the above report.

Paragraph 2.5 in Chapter 2 – Views on the Bill quotes an incorrect figure for the unpaid superannuation guarantee gap. Robert Jeremenko quoted the correct figure, \$2.85 billion, in the Committee hearing. The reference to \$2.58 billion appears to be a transcription error in the proof Hansard. Treasury contacted Hansard and the Committee to correct the record. This change has not been reflected in the report.

As this is both an incorrect quote and factually wrong, we would strongly prefer the \$2.58 billion figure to be corrected to read \$2.85 billion.

Yours sincerely,

Robb Preston
