Subject: SUBMISSION: Social Services Legislation Amendment (Strengthening Income Support) Bill 2021
Date: Friday, 26 February 2021 3:05:07 PM

To whom it may concern,

I would like to make a submission regarding the Social Services Legislation Amendment (Strengthening Income Support) Bill 2021. I am a young mother of 2 children living in [REDACTED] NSW. I rent a property costing \$400 a week and attend university. It's a real struggle trying to survive on a rate of Jobseeker that is so far below the poverty line. The constant stress of keeping a roof over my families head, struggling with water and electricity bills, and lying to my kids about whether i had eaten that day. I have been diagnosed with depression and anxiety resulting from the constant stress and find it hard to sleep at night. If jobseeker drops to an rate of just \$44 a day all of these stresses will be so much worse- how will I feed and dress my kids? I believe the rate of jobseeker and related payments should be at least \$75 a day.

Yours sincerely,
