Submission to Joint Standing Committee on the NDIS - Inquiry into the Capability and Culture of the NDIA

Dear Members of the Committee,

Thank you for the invitation to make a submission to this Inquiry.

Allied Health Professions Australia (AHPA) recently made a detailed submission to the Australian National Audit Office Performance Audit, 'Effectiveness of the National Disability Insurance Agency's management of assistance with daily life supports'.

We believe that submission, which is attached separately, is highly relevant to the present Inquiry, and we request that it be considered by the Joint Standing Committee.

AHPA welcomes any opportunity to appear before the Committee if that is deemed appropriate and useful.

Sincerely

Dr Chris Atmore
