~~Dear Mr Randall,~~

Re: Destra Corporation Limited

Please accept this letter as an official complaint against ASIC about their handling of a complaint I made about Destra. I mailed in a complaint using a ASIC complaint form on the 20th November 2008 and I received a reply from ASIC on the 29th May 2009 (copy of letter attached for your information), that is over 6 months and that is unacceptable to me as it should be to ASIC.

Even when I received the reply it was substandard and did not address any of my concerns, it was basically a cut and paste job, a waste of time and I have no faith that they even investigated my concerns or even referred the matter to a senior level. I don't trust ASIC or trust or respect their word one little bit. I want to see facts of what was done or not done and how they came to their decision.

I would also like to know how I can obtain information of what was done with my complaint under freedom of information legislation and if nothing was done to investigate my concerns what action I can take against ASIC and the officer involved.

Please also note that I will not be accepting any kind of apology or excuses from ASIC, no way.

Yours Sincerely,

Stephen Koci
