RE: Response to Question on Notice

Senator Hanson-Young (Chair)	Tamboran Response
1. In June 2023, 'Not to deal' commitments were made with the five proponents for the Middle Arm Industrial Precinct, with preferred sites set aside for up to 12 months. These commitments are due to expire in June 2024. Please set out the next steps relating to your commitment, including whether it will be extended, and any consequences for your proposed activity on the site if the commitment lapses.	<p>The 'Not to Deal' commitment over the MASDP acreage was extended to 31 December 2024 following the receipt of a letter from the Northern Territory Government on 29 February 2024.</p> <p>During this 'Not to Deal' period Tamboran will complete the Concept Select phase for the NTLNG project and will share the results with the Northern Territory Government in support of securing an interim lease that will enable further progress on the NTLNG project.</p>
