

respected sir/madam

i am not agree with bill because it will be unfair decesion for all international students and will effect australia reputation. cause they fullfill all the condition and then applied for residency.and there are some cases which are pending from last 4 years in the hope of being permanant and (THERE IS NO PROPER CRIETERIA TO PICK THE CASE SOME CASES APPLIED AFTER GET PR FIRST AND SOME BEFORE STILL PENDING SO IT IS JUST LIKE JACKPOT)so they people cant do anything now when they will go back it will be very hard for them to start new life again.
