

To whom it may concern,

I am strongly in favour of the Bill to pass anti-discrimination laws to protect GLBTI people in Australia.

I have seen discrimination in the workplace against myself as a gay man, and for others as well. Luckily now I work in an office that is highly accepting, but this isn't true for everyone. The way people feel at work has a huge impact on their mental health.

I strongly urge you to recommend that this Bill be passed ASAP.

Kind regards,  
Jed Gilbert
