Question:

When do we start making lease payments on Wickham Point?

Answer:

Wickham Point is being delivered in three stages. The lease payments commenced when the Certificate of Occupancy for Stage 1 was issued on the 7 November 2011. The department is required to cover 60% of the lease payment during Stage 1.

When Stage 2 becomes available the department will be required to pay 80% of the lease payments and when the final stage is ready the department will pay 100% of the lease payments.
