**Migration Amendment (visa capping) Bill 2010**

Dear sir / Madam,

I am an international student. I have lodged my file for permanent residency. I'm currently working in my field and pretty happy with that. After starting my career as a kitchen hand, I'm working as a chef now.

I have full respect of Australia, Australian culture and its people in my heart. Respect is obvious after seeing it. It gives everybody rights to express their views. It gives everyone freedom to move anywhere in Australia and thrive with the beauty of nature.

When I came to know about this bill, something just came in my mind like why should someone become so rude or changed just with a blink of eye.

At the end, I would like to request you to cancel this bill. If this bill approves, it would be considered as a very unfair decision.

Thanks,

Pooja
