To whom it may concern

I support Senator John Madigan's Health Insurance
Amendment Bill 2013

Medicare funding should not be available for s17(b)
"the termination is carried out solely because of
the gender of the foetus"

Abortion of any child is the most cruel of all child
abuse. It's totally hypocritical to be horrified at the
widespread abuse of children who have at least made
it into the world and have a chance to recover
from the trauma and make their contribution to
society.

It's also hypocritical and unpardonable to support
any move where a girl baby is the target. In this
day and age there's been more hype about the
equality of woman! We even have one for our
Prime Minister !!

Yours faithfully
Rita Short
