

**SENATE ECONOMICS REFERENCES COMMITTEE
INQUIRY INTO FUNDING AND RESOURCES FOR THE CSIRO**

Written questions on notice from Senator David Pocock:

1. Does anyone in your organisation currently hold a sponsored pass to Parliament House?
2. If so, who, and which Member of Parliament sponsors that pass?

Dear [REDACTED],

The answer from the Australian Meteorological and Oceanographic Society is below.

None of the members of the AMOS executive have a sponsored pass to Parliament House. To the best of the knowledge of the executive, no member of the AMOS council has a sponsored pass to Parliament House. AMOS is a member organisation, and we are unable to answer whether any of our 400+ members has such a pass.

Cheers,

Marty.
