

TO THE HONORABLE THE SPEAKER AND MEMBERS OF THE HOUSE OF REPRESENTATIVES

This petition of certain citizens of Australia

Draws to the attention of the House the misuse of child support payments.

We therefore ask the House to investigate potential amendments to Child Support legislation and associated regulations that would enable quarantining of child support payments for use on the purchase of essential items only for the child/children including, food, clothing, education, sport and extracurricular activities, similar to those regulations which currently govern the "Basics Card".
