Environment and Communications Legislation Committee

The committee met on Monday, 21 May 2012 from 9.01 am to 10.42 pm.

The committee called the:

 department and agencies of the Climate Change and Energy Efficiency portfolio, including the Clean Energy Regulator and Low Carbon Australia Limited.

Among other issues, the following matters were discussed:

- international travel arrangements made by the Department of Climate Change and Energy Efficiency
- various public information campaigns
- the provision of information to consumers advising of potential increases in electricity bills.
