

Hello,

I would like to make a submission to be included in the inquiry into the rising insurance premiums for strata properties in far north QLD.

The insurance for the strata property in which my unit is a part was \$45,144 in 2010 and went up to \$70,000 in 2011 – a rise of 64%. The insurance company is [REDACTED].

We are unable to get quotes from other insurance companies because they have a moratorium on insuring Far North Queensland business. These insurance companies include [REDACTED] and [REDACTED].

My unit is part of the [REDACTED], Australia.

I hope this helps with your inquiry.

Should you need further information I can be reached most quickly at this email address.

Kind regards,

Jodie Brownlee
