To whom it may concern,

I am US Citizen serving as a temporary worker (via a 457 Long Stay Visa) with skills in demand at Stryker South Pacific here in Sydney, Australia. The proposed LAFHA reforms will have a real and substantial personal impact on my quality of life which may drive me offshore leaving the Australian market. I ask that you please expand the transitional arrangements to include temporary residents and foreign residents in order to provide enough time to readjust my financial commitments and enable me to stay in Australia.

Thank you in advance for taking the time to review this request.

Sincerely,

Dash Taniguchi
