Subject: Submission

Message:

To: The Committee Secretary, JSCEM

Dear Sir,

Please accept this submission for the JSCEM's Inquiry into the 2007 Federal Election.

As an expatriate living in San Francisco I have wanted to vote but I am unable to because I cannot register as I have been out of the country beyond the time that is permitted to register to vote. I believe that all Australian citizens ought to be able to register to vote, regardless of how long they have been living out of the country.
