Subject: Proposed inquiry into child custody

Hi
I am not sure if this is the right email address to be sending this but I would like to say I am extremely glad to see there is an inquiry into the child custody arrangements between divorced/separated parents. I believe in a fair and equal system for all concerned, including the children. I hope there are some positive reforms that come out of this inquiry. Children need their fathers just as much as they need their mothers.
If this is the incorrect email address for this topic could it be forwarded onto the correct department please. I think it is important that the government knows there are a lot of people happy to hear about this inquiry.

Thankyou,
Mark Williams.
