TO THE COMUNITY AFFAIRS COMMITTEE
INTO CHILD CUSTODY
CANBERRA A C T

dear committee my inerest in this mater is personal not academic
my 3 children i hope and love me but without a fair 50/50 custody
my children think of me not as a equal parent and as
the years go by the break up in 1996 (my children ar 14/13/11year
and thay get older that opinion grows
in society in general and officialdom in particular see nonecusto
dial parents (mothers/fathers)as offically punishable dollar
signs i will be a farher to my children all my life hopefly not a
second class one living under a unfair automatically unequal custody
law please do your best to right a serious wrong
