Subject: Submission to NBN under review

Dear Sirs

The NBN should be scrapped

It will only reach some 60% of residents of Hepburn Shire

It is old ugly technology – refer to The Australian Newspaper 8/2/2011 & 9/2/2011 – go wireless, save money, reduce expenditure, avoid a flood levy

Cr Jon Barrell

Birch Ward

Hepburn Shire Council

Please note that on Code Red Fire Danger Days declared for the Central District over summer no Council-managed facilities or services will operate in Daylesford, Creswick, Trentham and Hepburn Springs. Our trained emergency personnel will be on hand and on full alert on such days.
