## **Recommendation 1**

The Committee supports the Timor Sea Treaty and recommends that binding treaty action be taken. (Paragraph 4.61)

## **Recommendation 2**

The Committee recommends that the Government of Australia use its best endeavours in accordance with the Memorandum of Understanding signed in Dili on 20 May 2002 to conclude the International Unitisation Agreement for the Greater Sunrise fields on or before the date on which the Timor Sea Treaty is ratified and in any event before 31 December 2002 as this would serve the best interests of both nations. (Paragraph 4.62)

The Committee urges the Government of Australia to use its presence on the administrative agencies of the Joint Petroleum Development Area to ensure that the occupational health and safety and environmental standards that prevail in the JPDA are equivalent or superior to those applying in Australian jurisdiction. (Paragraph 5.41)
