HOUSE OF REPRESENTATIVES
STANDING COMMITTEE ON
AGRICULTURE, FISHERIES
AND FORESTRY

10th May 2004

SUBMISSION NO. 14

Dear *Minister*

This add prompted me to write & complain about the lack of way to deal with urban animals especially foxes. Each year I loose many lambs, complain to Council, Rural P.P. board, they come look, no ways to trap/poison just put up with it. No one cares if it doesnt effect them. Please about putting a bounty on skins/tails etc or something to protect our native animals & hope this enquiry brings some sense to the rural peoples plight.

Regards

Denise Brien
